to January 1967

James A. Stivers  
*Principal to January, 1967*

William Morgan  
*Principal from January, 1967*

## CAST OF McCLATCHY'S

### STIVER'S MESSAGE

The individuals who have been associated with the C. K. McClatchy Senior High School during the past thirty years have built for the school an enviable reputation. Dedicated faculty members and conscientious students have combined their talents to produce capable and worthy citizens who have made a real contribution to their community, their state and their nation. In so doing, they have developed a spirit that is uniquely McClatchy's. One that is widely recognized and acclaimed. It is my firm belief that this reputation and this spirit will always be enjoyed and cherished by Lions for generations to come as it has been by all of us who have had some small part to play in its first thirty years of progress.

### MORGAN'S MESSAGE

This has been a year of changes; for example, a new principal, a new vice-principal, room changes to facilitate acoustical treatment, installation of light fixtures, and painting. To these changes we must add the problems of preparing for the division of the student body into two schools.

The proof of the greatness of this school's staff and student body is that the changes and problems never have upset the tempo of the forward march of the educational enterprise. This yearbook serves as a record of the year's achievement. Students and staff of C. K. McClatchy Senior High — you have much of which to be proud.

*Changing of the guard.*

## **PRINCIPAL DEPARTMENT CHANGED**

*Mrs. Carol Squires  
Vice-Principal*

*Mr. Woodward Adams  
Vice-Principal  
from January 1967*
