## INFRA RED RAY AUTO PAINTING Your Car Refinished in One Day

A finer paint job and a more durable one in a shorter space of time than you actually believed possible is what our INFRA RED RAY OVEN offers you.

By means of INFRA RED RAYS, which penetrate through the paint to the metal itself and dries the paint from within, you get a job of greater beauty and more durability. Come in and let us show you why.

You can actually drive your car in here in the morning by appointment and drive it home in the evening, completely repainted.
