## FALL PROSPECTOR STAFF

**TOP**—Sports Editor Dick Alejo and Editor John Brideson seem to be discussing a story for the sports page.

**SECOND**—Associate Editor Mary Nosler, Sue MacNicholl, and Circulation Manager Varlene Robinson look over a dummy planning sheet.

**MIDDLE LEFT**—Lucille Morgan and Page 1 Editor Jill Tregoning are typing up some articles.

**MIDDLE RIGHT**—Page 3 Editor Linda Alexander, Page 2 Editor Pam Kelley, and Cut Editor Sharon Kaiser discuss which articles to use in the coming week's "Prospector."

## SPRING PROSPECTOR STAFF

**LEFT**—That last minute deadline rush is portrayed by Jill Tregoning, associate editor, and Judy Landis, editor.

**MIDDLE**—“Prospectors” being prepared for mailing by cut editor, Janice Kerr, circulation manager, Peggy Rooney, and staff writer, Mavis Henderson.

**RIGHT**—Sports editor John Brideson, actively engaged in helping Page 3 editor, Marilyn Milner and Page 2 editor, Diane Elliott.

# Nugget

Before you is the artistry of Jerry Silva, staff artist, who has cleverly captured a scene of the Nugget Staff on a busy day, fifteen minutes before deadline.

Ronnie Nitsos, senior editor, appears calm despite the fact Nancy Chenu is eagerly trying to detach him from the glue pot. Aid?? is given by Jim Morgan, sports editor, and Sandra Taylor. Karen Nielsen happily crawls under the table, the only safe place at the moment, while Gaile Johnston is a victim of the other glue pot. Dick Fleming winds up for a shot, Janet Silvius surveys the bedlam, and poor Miss Thompson, sponsor, gives up in despair. Mr. Ramsey, the copy director, is just standing there looking intelligent.

# Staff

We see Karia Bohae gayly pouring ink on Patty Leavey, with Jerry Silva looking on, despite the fact that Stevie Chase, copy editor, is watching over the crowd with her "bull-whip." (She seems to be enjoying the whole thing immensely!) Gail Foreman is holding her sides laughing. (Can't hardly blame her!)

Two of our photographers, Ted Gagnon, (hanging from the chandelier), and Bill DeLacy are right there, ready to catch some candid shots. ("Watch the Birdie.") Diane Peek, layout editor, who is in deep concentration on the floor planning the book, doesn't seem to mind the fact that Janice Phelps, art editor, is using her head as a foot rest.

After all this, you may wonder how we ever got this book out! (But we did!)
