

### GENERAL ACTIVITIES

The General Activities Committee was, as the name implies, in charge of McClatchy's general activities. The committee's special job was to plan the after-game dances which are sponsored by the Parents-Teachers Association and the Spring Carnival. These dances require much planning and preparation. This year's Spring Carnival included many of McClatchy's active clubs and all of the classes.

### PRIDE COMMITTEE

McClatchy students have the Pride Committee to thank for our neat and tidy grounds. This committee was the one that organized our many Clean-up Days which have proved so effective in the never-ending battle against litterbugs. This problem of littering was at least partially solved by clean-up campaigns headed by that personable white knight, Bob Sertich.

# SMALL COMMITTEES DO BIG JOB

**INTERSCHOOL COUNCIL AND SOCIAL ACTIVITIES**

The Social Activities Committee was a small but important committee. Being responsible for decorating at the annual school banquet, the committee was kept busy especially at the close of Basketball season when the spring sports banquet was held. The members of this committee along with the sponsors should be commended for a job well done.

Interschool Council was comprised of a select number of students representing the three grade levels at McClatchy.

### SERVICE COMMITTEE

The Service Committee is a valuable asset to McClatchy. Its main function is to raise money with which to help support various organizations such as the United Crusade agencies and other charity organizations. The biggest project undertaken by the committee is the annual Christmastime Jingle Jar Drive. The money collected is donated to the McClatchy Student Welfare Fund and is appreciated by many grateful students.

### FRIENDSHIP COMMITTEE

The object of the Friendship Committee is to help new students find their way around McClatchy upon entering it. It is frightening to arrive at a school in which a student is a total stranger and knows no one. The Friendship Committee aids these students to find their way from room to room and adds comforting words that relax the student.

## HIGH SENIORS

With the opening of the fall semester 1967 the high seniors caught their first glimpse of their last semester at CK McClatchy. Although a midterm class is not always as active as it could be, this high senior class, under the direction of President David Goold, Vice-president Alice Look, Secretary Beverley Lee, and Treasurer Jolene Yee, led the school in pep, spirit and enthusiasm for our various activities. As well as participating in school activities, our high senior class initiated several inventive schemes to raise money for their own class such as their car wash, and candy sales.

No other midterm class before could have surpassed them in the high caliber of students and officers who contributed to the betterment of McClatchy.

### CLASS OF JUNE 1967

As the years go by, classes from sophomore to senior develop themselves so that they improve and strengthen their activities and their government. Following this norm, the class of June 1967 has provided McClatchy with many excellent student leaders and scholars. The senior class has proven one of the most active to go through C.K.'s portals. They worked for and enjoyed a gala Senior Banquet and festive after-grad party. Graduation ceremonies on June 14 ended three years of happy participation in student activities for this future generation of leaders.

## JUNIOR CLASS

With the able guidance and help of sponsor Mr. Lloyd Chorley, the class of 1968 has proven itself determined and energetic. Juniors have an important event in the spring, the Junior Prom, and all year the Juniors have been busy raising money and planning for the big event. Officers thought of campaigns such as a bottle drive, selling Christmas cards and stationary and a lightbulb drive. The lightbulb drive, proved to be an inventive and ingenious idea, as shown by the excellent results. The profits of all these projects have aided the juniors in their planning and preparations to make this year's prom, Raindrops on Roses, the most wonderful of all.

There is sadness in the future of the class of 1968 because it is going to be split. Many students will be transferring to the new John F. Kennedy High School and those of us left behind say "Good luck and much happiness in the future."

### SOPHOMORE CLASS

This year's sophomore class with its able officers has proven itself loyal and enthusiastic to McClatchy through its participation in school events and activities. School spirit is one factor which this class does not lack as was shown in the spirit points taken at the football games. There was a tight race for Homecoming Queen between this class and the seniors and through the entire event the sophomores proved strong and determined.

The full potential of a class is shown after a few semesters of working and organizing, but already the class of 1969 has proven that it has great ability. Through the guidance of their class sponsor Mr. Laquaglia, the sophomores have organized bake sales and presented a dance which was a great success.

It is not possible to predict coming events in McClatchy but it is certain that the class of 1969 will play a major part.
