## VARSITY NINE CARRIES BIG STICK

The 1967 baseball season for McClatchy received a rather cold and wet initiation, frequent rains causing the postponement of games and the disablement of playing conditions. Schedules were continually changed. Under all this harrassment, though, McClatchy's Varsity baseball team did emerge. Although not the strongest team in the league, the Lion Varsity did prove itself worthy of distinction. Joe Kemp and Mike Bushong provided pitching strength, while Paul and John Muchetto provided steady hitting. Charles Barr and Rick Schanz added power and defense to the lineup. This year's team was also characterized by a true athletic quality. Many of the boys on the team had participated in sporting activities during the fall and winter.

#### SOPHOMORES FIND VICTORY TRAIL

#### SWIMMERS STROKE TO VICTORY

### McCLATCHY TAKES LEAGUE CHAMPIONSHIP

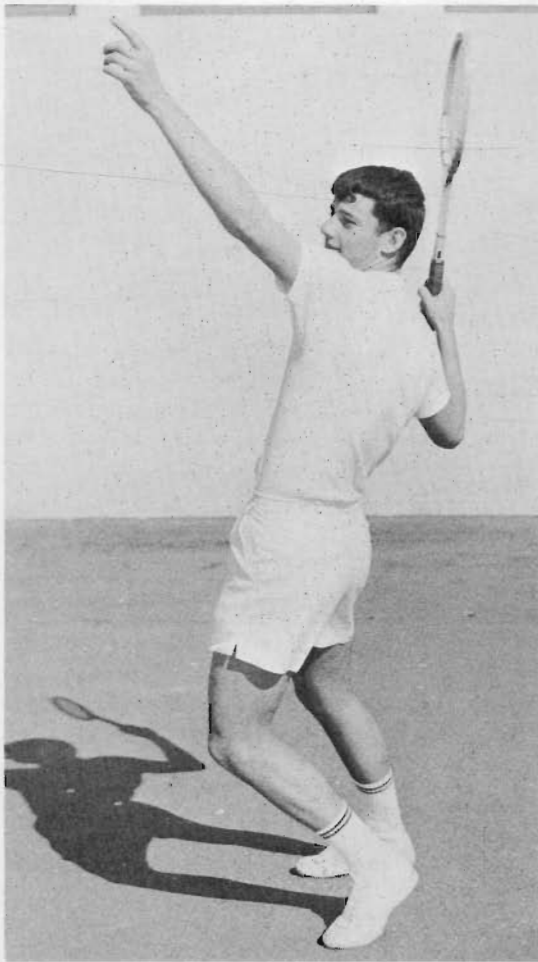

The Lion's tennis team under Coach Curtis Schmidt had another fine year. This year's team, however, must stand above those of previous seasons. The "big five" brought home the Metro League title losing only one match the entire season. Deserving honorable mention are: Gary Davis, Bob Reynolds, Glen Cohodes, Warren Anapolsky, and Mike Jung, all of whom teamed together to keep the Lion netters undefeated in Metro play. Gary and Bob went undefeated throughout the entire season in singles and together in doubles.

This year the McClatchy Lions golf team succeeded in gaining a top spot in the Metropolitan League golf standings. The low-scoring consistency of the players was evident in their victorious record. The season highlight saw the Lions defeating the Burbank Titans at the Bing Maloney Golf Course. The defeat was the first suffered by the Titans in three years of competition league action. Much credit should be given to Coach Bican, regulars Stuart Zeman, Richard Weis, Skip Greilich, Tom Sheppard, Chris Bonner, and reserves Randy Weatherhead and Paul Clark.
