ROBERT BALOUN, '21.

## Football.

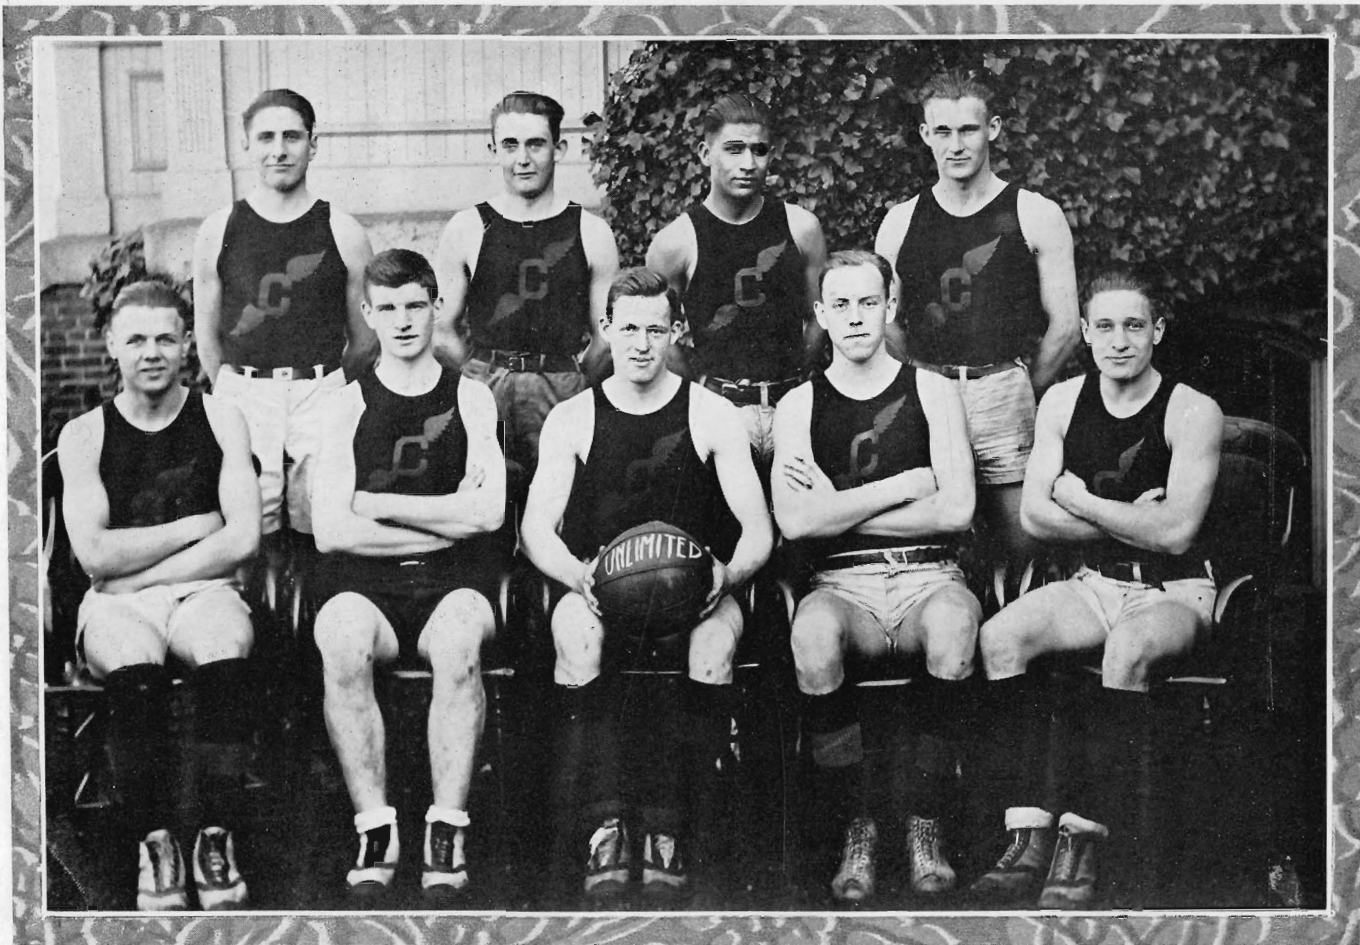

Despite the fact that Cogswell did not annex the football championship of the local high schools, she showed the same old fighting pep in that sport for which her football teams are famous. At the beginning of the season Captain Emerson and Manager Irvine sent out a call for men, which was answered by a larger number than have been out during past years. After two weeks of hard practice in the "lot," the team was given its first real competition in its first practice game. Much credit is due Manager Irvine for the way in which he handled the football schedule. Coach Best was again obtained, and he worked his hardest to put a team of championship caliber into the league. The season consisted of five practice games and a hard-fought S. F. A. L. The practice games resulted as follows: Oakland Tech., 9; Cogswell, 11. San Mateo, 3; Cogswell, 5. Fremont High, 6; Cogswell, 5. Richmond High, 3; Cogswell, 5. Oakland, 0; Cogswell, 20. After this practice, we went in intending to "clean up." Although we did not fulfill our hopes, we left a good sportsman-like reputation behind us.

Polytechnic, 11; Cogswell, 0.

On October 11, Cogswell met Polytechnic in the first game of the S. F. A. L. Although our "huskies" were prepared for hard knocks, they were not prepared for the heavy black and red aggregation. Perhaps over-confidence had something to do with it also. Despite the hard fight of the forwards and the great work of the backs, Cogswell was left with the "goose egg." Had it not been for the great work of our fast backfield, by stopping one after another of the Polytechnic men, the score would have been much worse. Emerson starred for the forwards, while Francisco, Doyle and Young were the mainstays of the backfield.

Lowell, 3; Cogswell, 15.

Our next game was against Lowell. For the whole week of vacation preceding the game our "huskies" practiced faithfully. When the game started every fellow went in to fight until the finish. Lowell kicked off, intending to rush us off our feet. But the bitter defeat at the hands of Polytechnic had done its work, and our boys intended to take it out on Lowell. They certainly stood by their word. The score speaks for itself. The forwards hooked the ball out to the backs, and the entire backfield worked together unselfishly. As a result, we gave Lowell the worst licking that she has received for many a day. At half time the score was 6 to 3 in Cogswell's favor. In the second half of play we came back with more fight than before, and the ball was in Lowell's territory the entire half. Faunt was the individual star scorer, making four tries, although it was only through the unselfish teamwork of the backs that such a thing was accomplished.

UNLIMITED BASKET BALL TEAM  
Upper Row—Brown, Murphy, Millen, Glass  
Lower Row—McKlem, McCarthy, Irvine, Emerson, Faunt

### Lick, 6; Cogswell, 0.

Next we met the Lick "Tigers," and despite the fact that our fellows played their hardest, we were defeated. As a win over Lick would have put us back into running for the championship, our fellows had trained their hardest. Even though we again won the title of a goose egg, the game was far from one-sided. For the entire first half the ball zigzagged back and forth with Cogswell almost scoring in the middle of the half. Both sides came back in the second half determined to win. Lick came within a yard of scoring, only to be forced back up to the middle of the field. Here Sudden, Lick's fast backfield man, received the ball from the ruck and with a clear field before him went over for a try. Then Cogswell swept down on Lick, howling for blood. The ball zigzagged back and forth. Just as the whistle blew, a Lick man kicked, and Sudden, receiving the ball, went over for another try. Lick was blocked by Cogswell in an attempt to convert, and Irvine went over for Cogswell's first try of the day. However, the referee did not count the try; so the score remained 6 to 0 in Lick's favor.

Emerson and McDonald starred for the forwards, while Doyle, despite a badly sprained ankle, played a star game at first five.

## Basketball.

Although the basketball teams turned out this year were not world-beaters, they represented hard work and much practice, as all of the fellows worked together with a will to enter teams of championship caliber into the league.

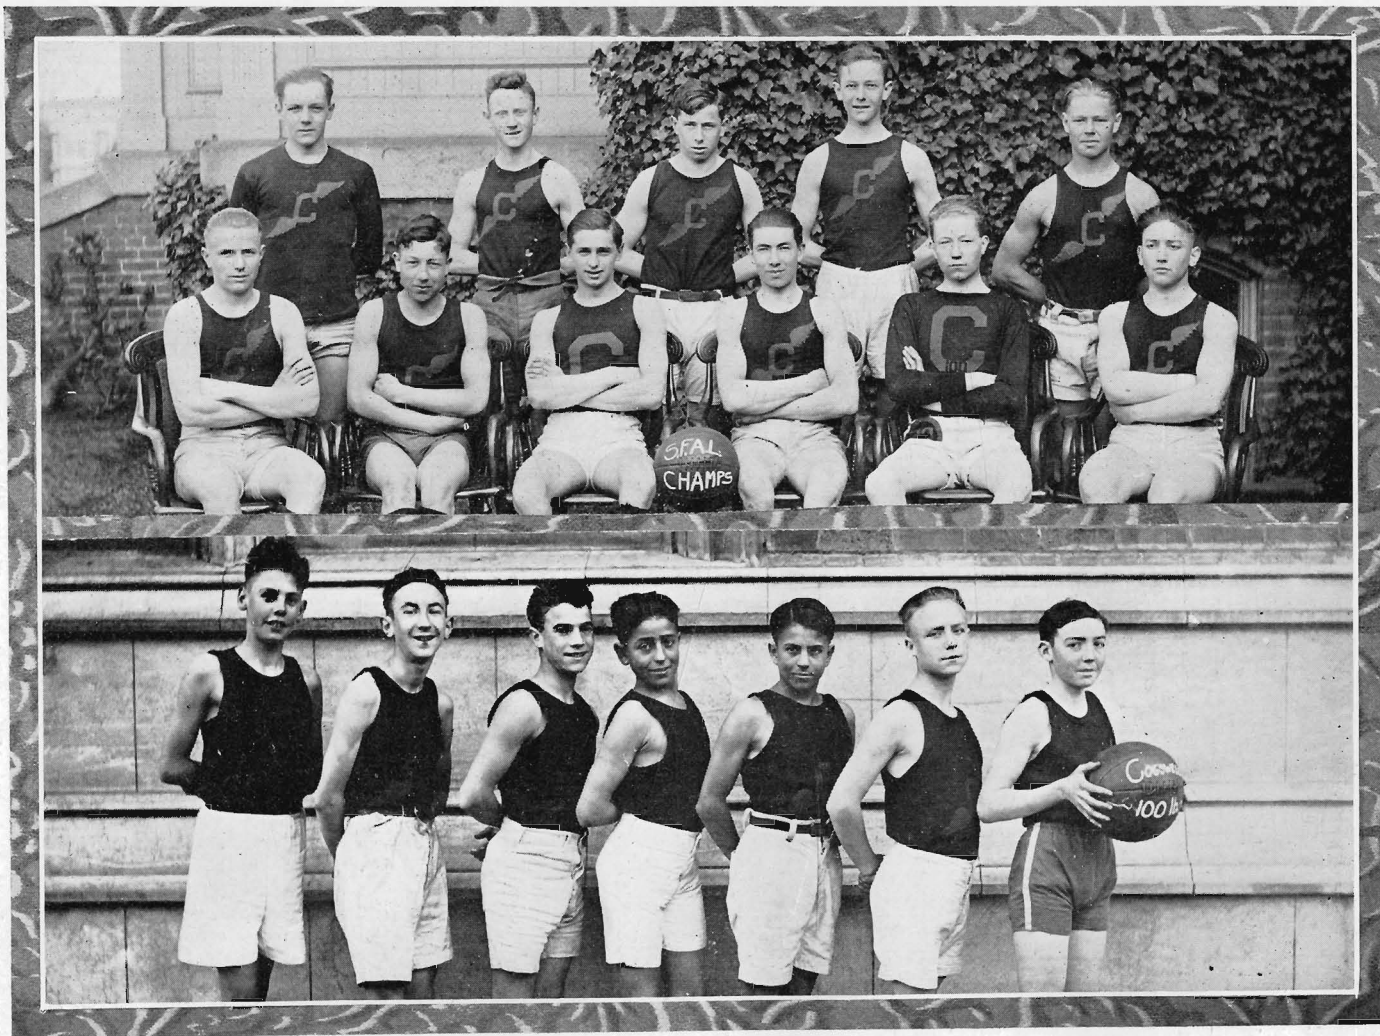

The interclass was won by the Seniors who represent most of the "Big Team" fellows. The Juniors came second, and the Sophs and Scrubs tied for third.

### Unlimited Division.

The "Big Fellows" started out to clean things up, and if practice and good hard work would win a league, they certainly deserved to win. Due to Young's leaving school, a new captain was elected. Captain "Lu" Irvine worked his hardest from the beginning until the end and deserves all the credit he got and then some. The line-up for the S. F. A. L. games was as follows:

Captain Irvine at center played a hard-fought game and was in the fight from the start until the finish. Manager McKlem, forward, put the ball through the loop from all angles and feared no man. Faunt, forward, played a star game and was all over the court at once. Emerson, guard, star of last year's team, played with the same old fighting pep that he is famous for. "Brick" McCarthy, guard, was right there all the time and saved neither himself nor his opponent. Brown, forward; Glass, forward; Murphy, guard, and Millen, guard, warmed the bench, but not because of a lack of fighting pep. They deserve a great deal of credit for the way they came out for practice during the season. The season consisted of seven practice games and a hard-fought S. F. A. L.

130-LB. BASKETBALL TEAM (S. F. A. L. CHAMPIONS)  
Weeden, Schulz, Weinberg, Fredrickson, Thornton  
Sullivan, Francisco, Barsotti, Morrill, Blacklock, Petrusich  
100-LB. BASKETBALL TEAM  
Schmidt, Warman, Janovitz, Scagiola, Yparreguirre, Carlson, Rice

Cogswell, 26; Polytechnic, 27.

As Polytechnic had won the championship for two years in succession, each time Cogswell taking second place, our fellows went into the game as though it was a championship game. The score speaks for itself. It was a rough and tumble game from start to finish. At half time Cogswell led by three points. In the second half both teams were battling their best for supremacy. The score zigzagged back and forth, and when the final whistle blew Polytechnic was found to be ahead by one point.

Cogswell, 31; High School of Commerce, 20.

Despite the fact that Polytechnic had defeated us, the fellows came out and practiced harder than ever. Thus Commerce was defeated in one of the fastest games of the season. The score at half time was 26-18 in Cogswell's favor. In the second half the Cogswell fighting pep triumphed, and we won by 31 points to Commerce's 20.

Cogswell, 23; Lowell, 31.

By all dope Lowell was the team for us to beat in order to put ourselves in line for the championship. When the game came every man went in to do his best. We lost but not through a lack of fighting pep. The score at half time was 10 to 8 in our favor. In the second half Lowell showed her superior skill by running up 31 points to Cogswell's 23.

Cogswell, 20; Lick, 8.

As this game would not count towards the championship, very little interest was shown by either side. It was a rough contest from start to finish, and we won, not because we played the roughest, but because our fellows used a little science with a "little" rough playing.

Cogswell, 18; High School of Commerce, 14.

Because Lowell won the city championship, Cogswell had to play Commerce for second place. It was a slow game with very little science shown by either side.

130-**th** CHAMPS.

The 130-**th** team was composed of a bunch of so-called "all stars," and certainly they lived up to their name.

Captain Morrill and Manager Barsotti worked hard for the team and for the school.

Their season consisted of six practice games and a fast, hard-fought S. F. A. L. The team lined up as follows:

Morrill, forward, captain of the team and a veteran of four years, played a fast game. Tofanelli, forward, veteran of four years, was the stand-by when some points were needed. Blacklock, center, veteran of four years, always outjumped his man and otherwise did his bit toward winning. Barsotti, guard, manager of the team, not only played an all-star game, but also handled his schedule to perfection. Francisco, guard, veteran of four years, showed the same old class that he had of old and did not stop from

beginning to end. Schultz, forward; Thornton, forward; Sullivan, guard; Weeden, guard; Petrusich, guard; Weinberg, guard, and Fredrickson, center, all deserve a great deal of credit for their hard practicing. Although they did not play in every game, they were given chances to show what they could do, and they certainly did not lack fighting pep.

**Cogswell, 22; Sacred Heart, 14.**

Our champs met Sacred Heart in the first game of the S. F. A. L. - It was a hard-fought game from start to finish, with Manager Barsotti playing a star game at guard. At half time the score was 9 to 8 in Cogswell's favor.

**Cogswell, 19; Humboldt, 21.**

When our fellows met Humboldt they realized that they had a hard game ahead of them and that their division practically depended on this game. After a hard-fought game they were defeated, although they fought a game fight.

Due to Humboldt's committing a big irregularity with the S. F. A. L., Cogswell was given the game by the league directors.

**Cogswell, 38; Commerce, 8.**

After having "cleaned up" all the other teams of her division, Cogswell played Commerce for the division championship. By all dope, Commerce was the school to be beaten in order to win the championship. Every man went in to play his hardest, and therefore we won. The second half ended with an entire team of substitutes playing.

**Cogswell, 31; Lick, 23.**

After giving Commerce her spanking, our fellows had to play Lick. This was a slow, uninteresting game of very poor basketball. The science of our players, coupled with a little rough playing, easily triumphed over the "Tigers."

**Cogswell, 24; St. Ignatius, 16.**

After handing Commerce such a "licking," we played St. Ignatius, the winner of the other division, for the championship. It was a fast, well-played game from start to finish. Every man played with his team mates, and therefore there were no individual stars. The score at half time was 9 to 9, with both sides fighting hard. In the second half the Cogswell fighting pep conquered, and we won with a score of 24 to 16. Although the regulars of the team won the game, Captain Morrill and Manager Barsotti thank the substitutes, one and all, for the very great help they rendered during the season.

**100-lb TEAM.**

The "Midgets" started out like world-beaters. Captain Rice and Manager Carlson worked for the team from start to finish, and certainly deserve credit for their hard work. Practice games were secured in order to have some good hard competition, and the "youngsters" did very well in them. Every school they went up against respects them for the fact that they

played with true "win or die" spirit. They did not become disgusted when they were nosed out by a few points. They trained and practiced twice as hard to make up for it. The regulars lined up as follows:

Captain Rice played a good game at forward or guard, and was in the fight from start to finish. Yparraguirre, forward, right there a million, played a hard, fighting game. Carlson played at forward or guard and could equally well drop a few through the loop or hold a man down to few baskets. Schmidt, center, was right there all the time and played a good game. Janovitz, guard, right there all the time, played an all-star game and never stopped using his fighting pep. Scagliola, guard, has all the pep in the world and will develop into an all-star player. Warman, forward, plays a good game and is not afraid of practice.

#### Cogswell, 21; Commerce, 14.

The first S. F. A. L. game was against Commerce. The "gang" did their best, and as a result they won. It was a close, hard-fought game from beginning to end, and no one could tell until the end who would win.

#### Cogswell, 13; Mission, 15.

Our "midgets" were good and angry by the time they played Mission. Therefore, they went in to take Mission's goat and muss him up so he would be unrecognizable. However, Fate ruled otherwise, and despite all they could do, they were defeated.

#### Cogswell, 7; Polytechnic, 45.

At last the final game came against Polytechnic. The fellows had practiced hard, and they did their best. Although the score appears awful, it was a hard-fought game all through and one well worthy of our team.

## Baseball.

Cogswell has not entered a baseball team in the S. F. A. L. for the past few years, due largely to the fact that track falls at the same time, and, with our limited number of men, we could not spare the time for both baseball and track. Therefore, the baseball lost out. Now, however, a greater number of students are entering every term, and we are beginning to see our way clear to entering a ball team. It was thought at first a good idea to enter a team this year. After much debating it was finally decided unwise, and therefore we shall wait until next year. Our best players are amongst the Scrubs and the Sophs, and we look for a strong team next year. An interclass is being held, and so far the Sophs have defeated the Juniors, and the Seniors have "defeated" (?) the Scrubs. The Sophs and Seniors are now playing for the championship.

## Swimming.

For the past few years swimming has been under the general management of old "Joe" Slump. Last fall our man, "Hank" Donald, got after him with the assistance of Manager Petrusich. Mr. Slump tried his best to

UNLIMITED TRACK TEAM

Upper Row—Delucchi, Schmidbauer, Murphy, Mordaunt, Bruschera, Tanaka, Peterson  
Lower Row—Hauxwell, Faunt, Irvine, Jones, Weinberg, Vierra

stay, but with the good hard work of the captain and manager pitted against him, he soon lost. Thus, although the right amount of jazz is not yet worked up, quite a bit of interest is being shown to make prospects for the next year seem much better. Now "Bill" Rice has stepped into the shoes of the swimming captain, and he hopes to show us an improvement by the next meet. An interclass was held, which was won by the Juniors. Those who were awarded numerals are: Petrusich, Dixon, Johnson, Thornton, Edwards, Vierra, C. Huff, G. Huff, Goldstein and H. Peterson.

## Tennis.

At the beginning of the year in order to arouse interest and bring out new material, a tennis tournament was held. It was on the whole a well played one and was very satisfactory in the way it brought some real "sharks" out of the lower classmen. The most enthusiastic supporters of tennis are the girls. Cogswell has good material for a tennis team, but no enthusiasm is shown by any of the fellows. However, enthusiasm is being worked up by Capt. McCarthy, amongst the lower classmen, and we hope to enter a team in the S. F. A. L. soon. In the tournament, McCarthy and Irvine won the doubles, and "Dick" Kemp captured the singles.

## Track.

Cogswell does not take the active interest in track that she does in football and basketball. Despite that fact a near-championship team is always turned out. This is largely due to the perseverance of Mr. Crites and the active help of Mr. Dodd. This spring when track season came around, it found Cogswell bidding strong for first place, despite a great handicap due to the lack of new material. Manager Carnes and Mr. Crites are not allowing the grass to grow under their feet in regard to dual meets. And Captain Briggs deserves great credit for his hard work in seeking out new material. Besides captaining the team, Briggs runs the 75 yard dash 110-lb, and as to the broad jump, he leaves them all behind. Other weight men who are bringing fame to Cogswell are Heath, Igoe, Burke, Spiering, McDonald, Carnes, Baldwin, Simas, Thornton and Fredrickson.

The unlimited men figure on giving all the local high schools a hard tussle in the coming S. F. A. L. Some of the stars who are upholding Cogswell's honor are as follows:

"Red" Irvine leaves them all behind in the 100 and the 220. Right at his heels, however, is "Scrub" Bruschera. "Jimmy" Faunt and Mordaunt are rapidly showing the need of getting a longer vaulting pole. Davy Jones, Vierra, and "Scrub" Weinberg step around the mile in good shape, and with Schmidbauer's assistance, they prance around the 880. Hauptwell, Barsotti and Schmidbauer run the quarter to the satisfaction of all. Besides assisting in the pole vault, Mordaunt walks over the high hurdles with C. Fusco accompanying him. A very promising trackster is "Frosh"

WEIGHT DIVISION TRACK TEAM  
Champions of Northern California

Maimone in the broad jump. Thornton will shine in the discus. Our man "Hank" Donald will take care of the javelin. A new event in the S. F. A. L. is the running hop, step and jump. This Irvine is doing to such a great extent that we are contemplating lengthening the course. "Kid" Baldwin will uphold the high jump honors with Mordaunt's assistance.

#### Track Interclass-Unlimited.

An interclass was called for the purpose of bringing out new material. The Seniors carried off the honors, defeating their nearest rival, the Scrubs, by 79½ points to the Scrubs' 28½. The Scrubs upset all hope by coming second; the Sophs came next, and the Juniors last. Mordaunt was the individual star of the meet, making 20 points.

Our first Junior meet was against Oakland High, which we defeated. Then our Senior team met our old rival, Polytechnic, and we lost to them. Next we met Lick and took the meet by a good number of points. Fremont High, the East Bay Junior Champions, were next humbled by a 112 to 70 score, and one week later we humbled our old rival, Poly, by a 90 to 47 score. Manager Carnes is rapidly arranging a series of Junior and Senior meets to take place between now and the S. F. A. L. meet on May 22. The fellows are getting down to good hard graft now, and it looks as though they will "cop" a big majority of the remaining dual meets. In the S. F. A. L. we expect to finish well up towards the lead as we did last year.

#### Track Interclass-Junior Division

The Sophs won the Junior interclass by 78 points to their only real competitors, the Scrubs', 32 points. The Juniors came next with 27 points, and the Seniors took last with 9 points. The Freshmen surely are "right there" for good, hard competition.

These weight boys are sure a bunch of "steppers." The result was that all of the times were right next to the school records, and in some cases these were broken.

The first thing the weight men did both last fall and this spring was to beat Lick in our semi-annual dual meet. Last fall, in the S. F. A. L., they came out tied for second place, but this year they expect to be top-notchers.

New Junior and Special Event Freshman Records are here shown. The one on the left is the school record; on the right is the S. F. A. L. record. The sign (\*) means not a Freshman record.

#### 100-lb Division.

100-yd. dash—M. Igoe, '23, 11:2 sec.; 11:2 sec., S. F. A. L. This is also the 110-lb and 120-lb record.

Broad jump—M. Igoe '23, 17 ft. 6 in.; 18 ft. ¾ in.

# Red Letter Days

LLOYD EMERSON, '20

August 13.—E. Lunsman, E. Karp, Helen Peterson, T. Millen, B. Dunn and F. Andrews meet at Helen Peterson's house and form a club called the "P. I. G. Club."

Sept. 8.—Students read notice on bulletin board, "School closed tomorrow, Sept. 9," and wish it meant the week.

Oct. 15.—V. Young hikes with girls to Mussel Rock and meets with serious accident. (You ask her; I stutter.)

Dec. 10.—Scrub loses purple garter on Twenty-sixth Street, while coming to school.

Dec. 15.—Al Faunt starts his career as salesman in Hale's Toy Department, selling rocking horses to the babies.

Jan. 5.—All the boys return to school looking like new ten-cent pieces, all dolled up in their new ties, caps and shirts, received as Christmas presents.

Jan. 8.—V. Young is seen spending fifteen cents to have her shoes shined at the bootblack's.

Jan. 14.—P. I. G. Club has a meeting at Theresa Millen's house. Later in the evening the girls retire to the kitchen to consume something to eat. Upon entering the kitchen, the girls see Honorable Gus asleep in the rocking chair.

Jan. 16.—The '22 Class gave its first party. From the smiles on the faces of those who were there they must have had a good time.

Jan. 20.—Garie Young sends word that he will not return to school.

Jan. 23.—The Junior Class gave their dance at the Sorosis Club Hall. There was a large crowd in attendance.

Feb. 5.—Al Faunt is seen talking to a certain girl all afternoon. Can anyone guess who it was?

Feb. 6.—Faunt, Irvine, McCarthy and Emerson help the girls make punch for the Freshman Reception.

Feb. 10.—Several girls are seen playing hop-scotch on the school court.

Feb. 13.—The Associated Girl Students gave their jinks in the auditorium. None of the boys were allowed to be present.

Feb. 16.—Pose Baloun comes to school all dressed up. What for? Why, to speak to the girls and tell them what a fine vice-president he would make.

Feb. 26.—Everet McDonald finally gets a job and goes to work the following Monday.

Feb. 27.—At the rally. The Freshmen line up in front of the other students in the auditorium and show they can yell.

Mar. 1.—Red Irvine was seen carrying Marion's satchel up Twenty-sixth street. Wonder if he went home with her.

Mar. 4.—Doyle referees championship interclass game between Seniors and Juniors. The Seniors beat them worse than they beat the Freshmen.

Mar. 9.—During the second half of the game between Cogswell and Commerce, Blacklock gives Commerce two points by shooting a field goal for them.

Mar. 10.—Big battle in the hall today. The delinquent list was on the bulletin board.

Mar. 16.—The 130-pound team became the champions of the city by defeating the Commerce team by a big margin.

Mar. 16.—The unlimited team took second place by also defeating the Commerce team.

Mar. 17.—The Junior Track Interclass was held this day. The Sophomores won the meet.

Mar. 19.—Founders' Day exercises were held in the auditorium.

Mar. 19.—Seniors win the Senior Track Meet.

Mar. 22.—The fellows begin to train for the S. F. A. L. Track meet.

Mar. 29.—School is closed for the mid-term vacation.

Apr. 6.—Carleton buys an ice cream brick when he is supposed to be in the auto shop and is caught by Mr. Merrill.

Apr. 8.—Barsotti refuses to open his mouth, and the fellows wonder what is wrong. It is found out later that he has several of his front teeth missing, and he is the handsomest boy in school when he opens his mouth.

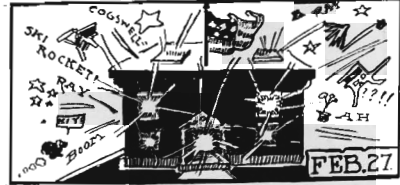

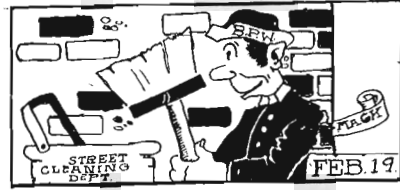

Apr. 12.—The latest fashion is to come to school in an underskirt. A certain girl seems to think it is just fine.

Apr. 12.—Harry Rice and Mr. Murray meet in the yard outside of the auto shop and discuss the baseball game which took place Sunday.

Apr. 14.—Al Faunt is given Bessie Cannon as his surveying partner. Al was always a lucky fellow with the girls somehow.

Apr. 15.—Several fellows come to school in corduroy pants and woolen shirts. How do they get that way?

Apr. 16.—Who was it that stole the pies from Davy Jones' locker?

WHEN OUR SENIORS WERE FRESHMEN
