Hardwood Floors Add Selling Value

to a house more than anything else
you can put your money into. The
women folks know such floors cut
down house work and are sanitary.
Our stock comprises the cream of
America's flooring factories and we
have it in **Maple, Birch and Oak.**

Any of these woods are desirable
as they all take a high polish and hold
it. Whether you are building new or
just recovering old floors, you should
investigate our prices and flooring
before deciding on the kind of floor
you will have.
