# CALIFORNIA STATE JUNIOR CLASSICAL LEAGUE CONVENTION

*ALL ROADS LEAD TO ROME*

March 14, 1959, was an important day for students who were members of Discipuli Minervae. With two state officers attending Edison it was only natural that our school be the scene of the Junior Classical League convention.

Over 400 students, representing schools within the State of California, came for the event.

Students of the Stockton schools assisted Edison students in making the convention possible.

The J.C.L. Convention was an outstanding undertaking and its success a credit to Edison Senior High School.
