

LOS CABALLEROS

INITIATION BANQUET

The Los Caballeros are students enrolled in Spanish classes.

Traditionally, at the Christmas party, members break the Spanish pinata.

The initiation banquet provides an evening of serious pleasure.

To earn ever needed funds for their activities, members sold Coca-Cola at a football game and had cupcake sales.

MRS. JOHNSON

The beautiful Edison library is a popular place for students to study. Thousands of books are in the stacks for all to use. No matter what information is needed, there is a book or periodical or newspaper where it might be found.

For those who enjoy reading fiction there are many new and exciting books.

Those who have learned to use library facilities intelligently and take advantage of the splendid library on the campus are those who are successful students.

Karen Iwata, Mrs. Johnson, Mrs. Cheney.

SANDRA SERRANO

GAVALIERS

Advanced speech students are eligible to be "Gavaliers." Poise and self confidence belong to those who speak well before an audience; these are achieved only by directed practice. Speeches are delivered before service clubs, in debate and at forensic contests.

The Gavaliers are fast becoming recognized as award winners.

To pay membership dues to the Valley Forensic League and to purchase speech awards for this year's outstanding speakers, the Gavaliers sponsored dill pickle sales during lunch periods and at home football games.
