8th GRADE CORE TEACHER

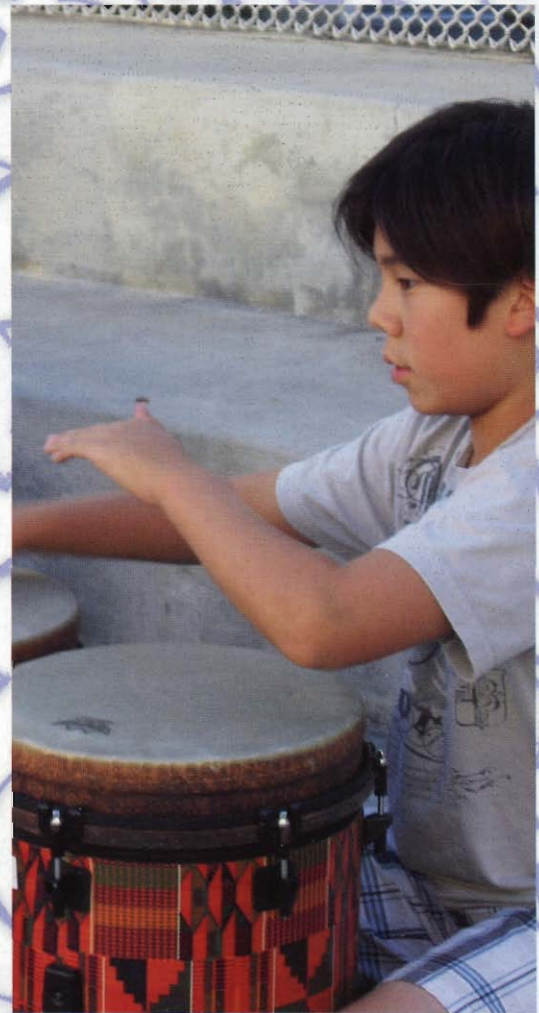

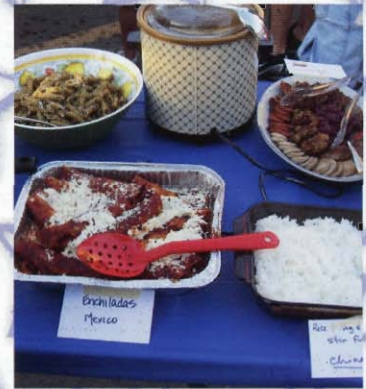

On behalf of Hillview students, we dedicate the 2010 Yearbook to Mr. Haug, who has done an excellent job at making Hillview a more exciting place. After Ms. Shmuely left for her maternity leave, Mr. Haug accepted the role of Vice Principal for the first semester of the school year.

Mr. Haug's terrific job as a Vice Principal as well as a teacher of photography and core has made Hillview a more enjoyable place to learn. We decided that this yearbook should be dedicated to Mr. Haug, because he has been dedicated to Hillview for 14 years and has done all he can to make our school a safe and challenging learning environment.

COMMUNITY FESTIVAL

The Hillview Community Festival is a time when the Hillview community comes together to share our cultures through music, dance and, of course, food!

PHYSICAL EDUCATION

Every Hillview student routinely reports to their Physical Education teacher as they complete their daily exercises and loosen their limbs, in preparation for future exertion on the field.

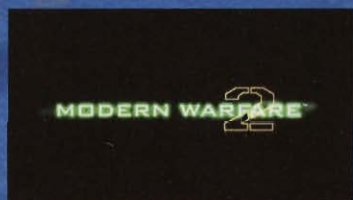

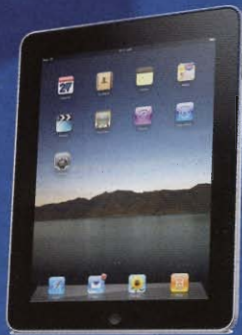

These charming pupils respectfully and dutifully execute all activities generously distributed by afore-mentioned teachers, while obliged to sweat profusely and humbly accept all means of reprimands.

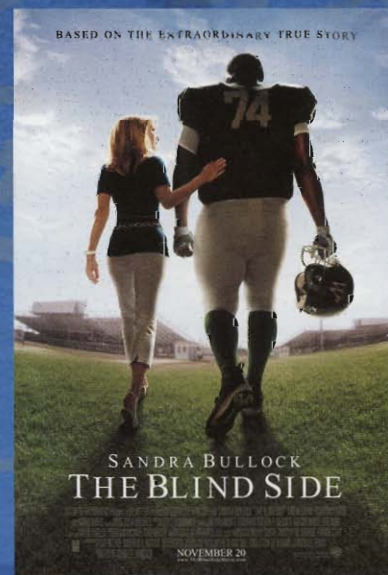

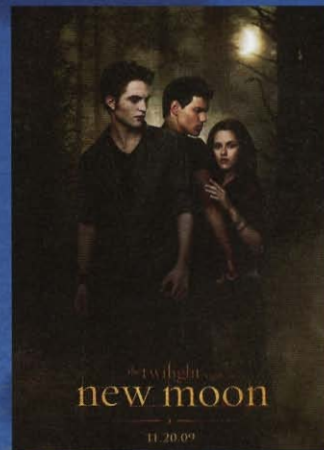

PHYSICAL EDUCATION

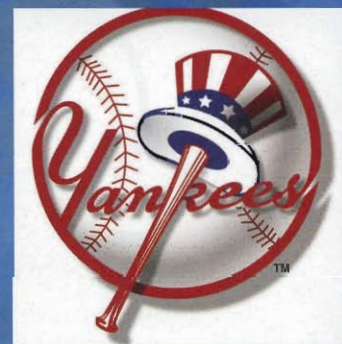

CURRENT

FOR MANY AMERICANS, 2009 AND THE BEGINNING OF 2010 HAVE BEEN YEARS OF WONDER. FROM THE WINTER OLYMPICS TO MODERN WARFARE 2 AND NUMEROUS OUTSTANDING MOVIES, THESE YEARS HAVE BEEN FILLED WITH JOY. UNFORTUNATELY, THERE HAVE ALSO BEEN MOMENTS OF TURMOIL TO BOOT. THE ECONOMIC CRISIS

AND SWINE FLU HAVE TAKEN LARGE PHYSICAL AND EMOTIONAL TOLLS ON THE PEOPLE OF THE WORLD. THE NEW YEAR HAS BROUGHT NEW HOPE FOR AMERICANS AS THE CINDERELLA STORY NEW ORLEANS SAINTS WON THE SUPER BOWL AND AMERICANS TOOK HOME 37 MEDALS IN THE VANCOUVER OLYMPICS, A NEW AMERICAN WINTER OLYMPIC RECORD. ALTHOUGH THERE HAVE BEEN MANY CRISES, 2010 SEEMS TO BE THE SILVER LINING TO THE DARK CLOUD OF 2009.

KINDNESS CAMPAIGN

The Kindness Campaign has continued this year. Students are separated by grade to take part in activities promoting kindness. At the end of the program, there is a chance for each student to share their feelings in front of their peers.

This year there were follow up Kindness Campaigns for each grade that lasted a few periods.

7TH GRADE

7th grade is a fantastic year. From Chinatown to Renaissance Faire, 7th graders have a great time all year long. The core teachers do a fantastic job in teaching us about poetry, Medieval Europe, and everything else we learn in the 7th grade!

TOURNAMENT TEAMS

STUDENT COUNCIL

SEMESTER 1

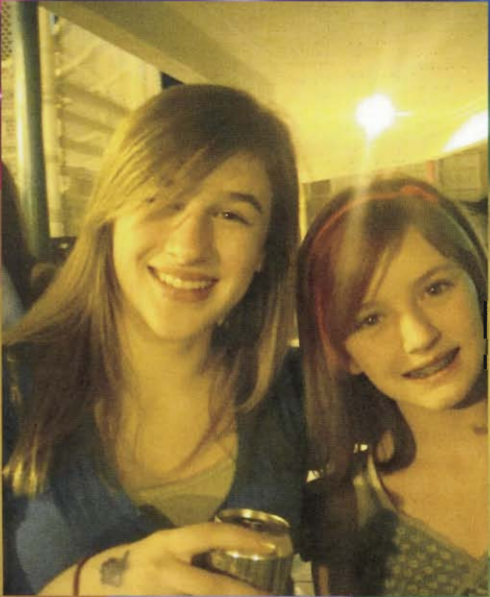

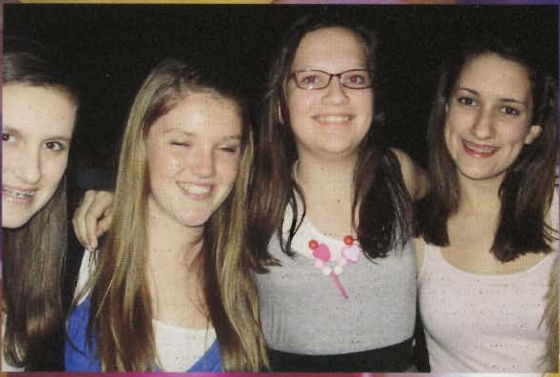

These groups of voluntary student leaders run exciting activities that promote enthusiasm and school spirit, manage action teams and noon events, and create a variety of experiences for all students to enjoy.

Thanks to Mr. Rogers & Mr. Dolan!

SEMESTER 2

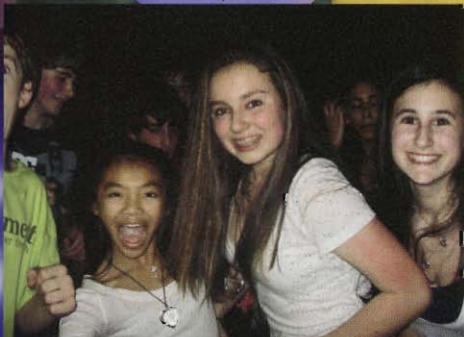

DANCES

DANCES

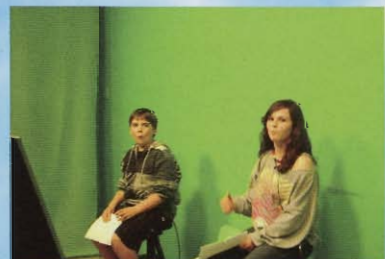

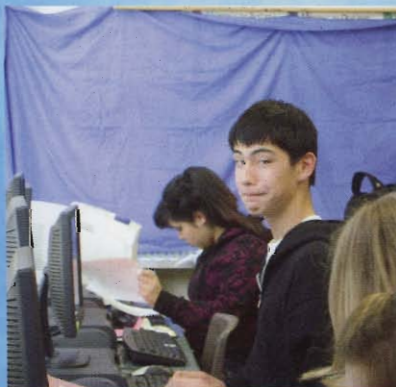

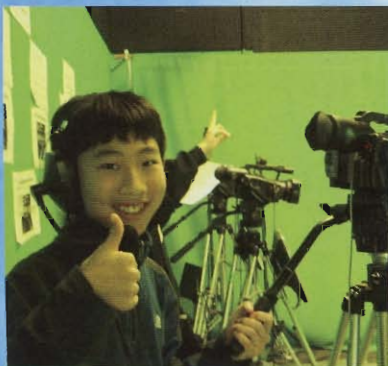

Dances are an enjoyable way to spend time with friends or discover that special someone. There are a total of 6 dances for 7th and 8th graders and one dance for 6th and 7th graders at the end of the year. Everyone loves dressing up and getting in the spirit. All in all dances are nights to remember.

ELECTIVES AT HILLVIEW

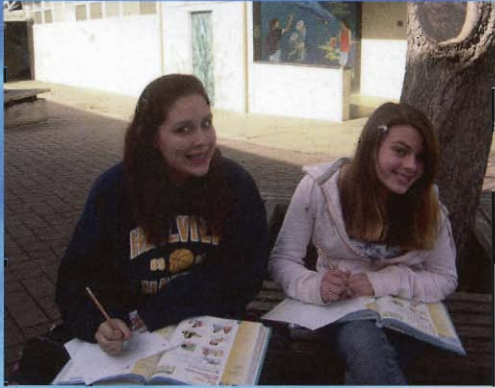

Electives are an important part of everyday life at Hillview. Along with taking our minds off of math for a little, they give kids at Hillview myriad chances to express themselves.

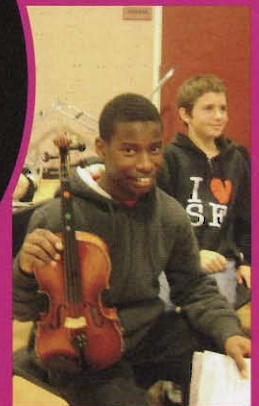

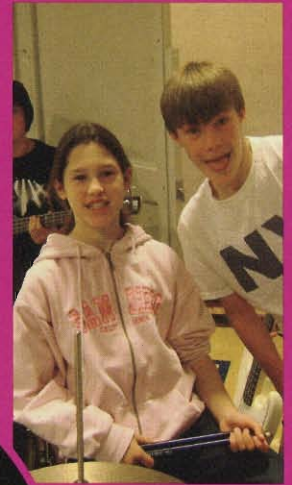

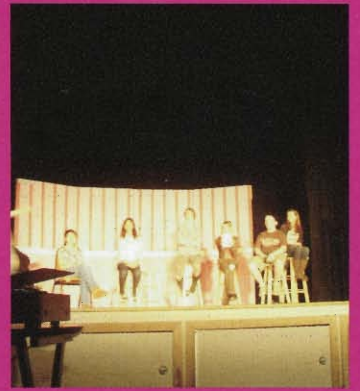

ELECTIVES

There are many electives to choose from at Hillview! Electives give students opportunities to try new subjects and learn new skills.

DRAMA & MUSIC AT HILLVIEW

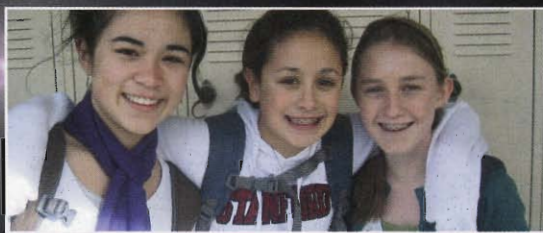

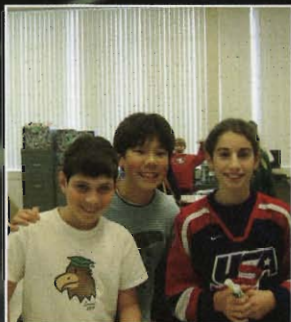

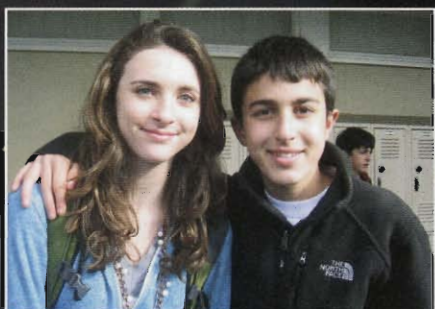

Drama and Music are two electives where hardworking, creative kids learn important skills. These two very popular electives capture enjoyment amongst the students at Hillview. Music and Drama assemblies happen throughout the year to highlight Hillview student talent!

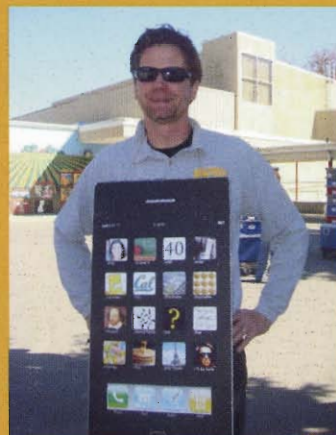

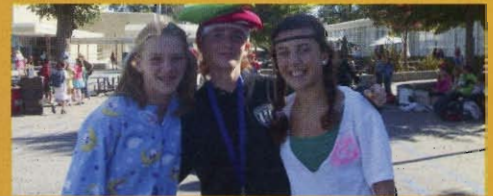

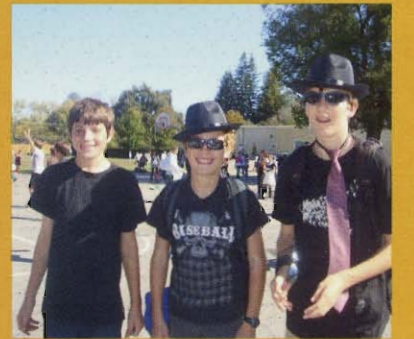

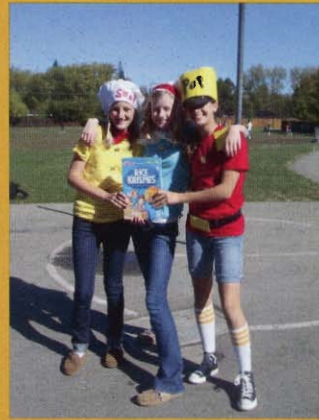

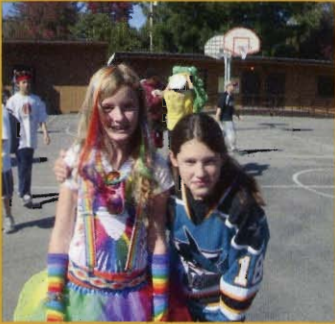

HILLVIEW FACES

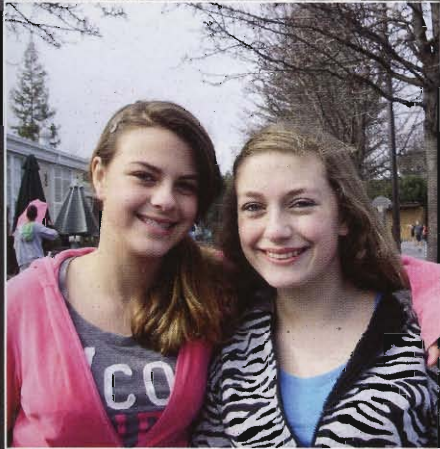

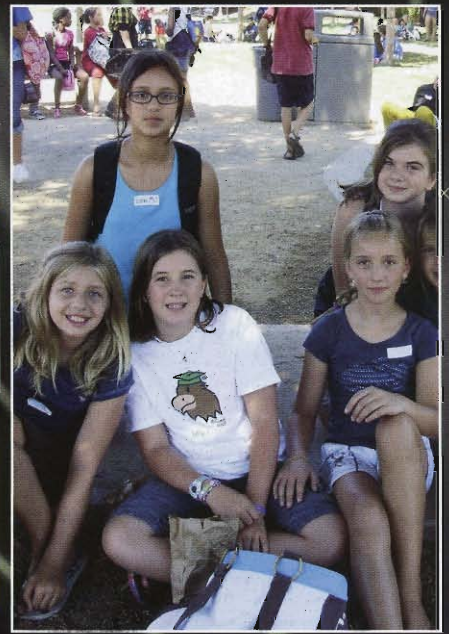

#2

HALLOWEEN

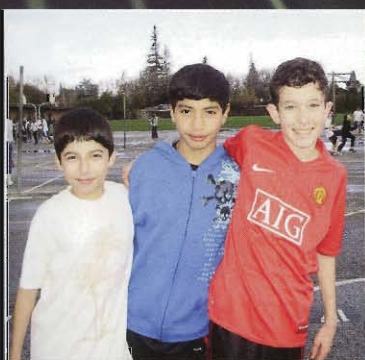

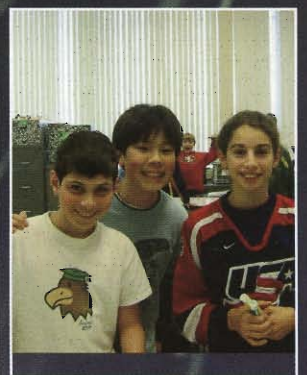

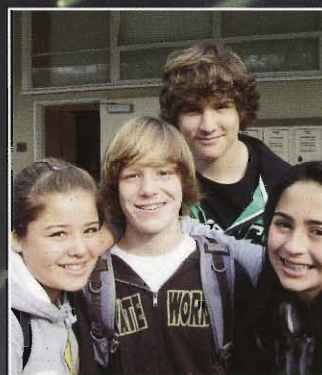

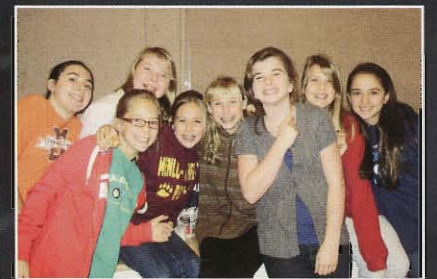

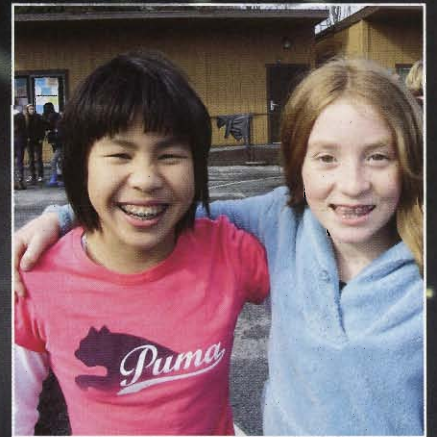

Halloween at Hillview is a spooky and fun-filled day including special NOON events and costume contests!

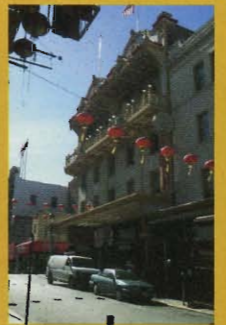

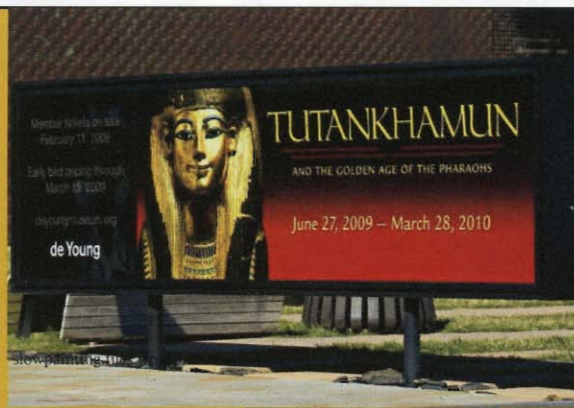

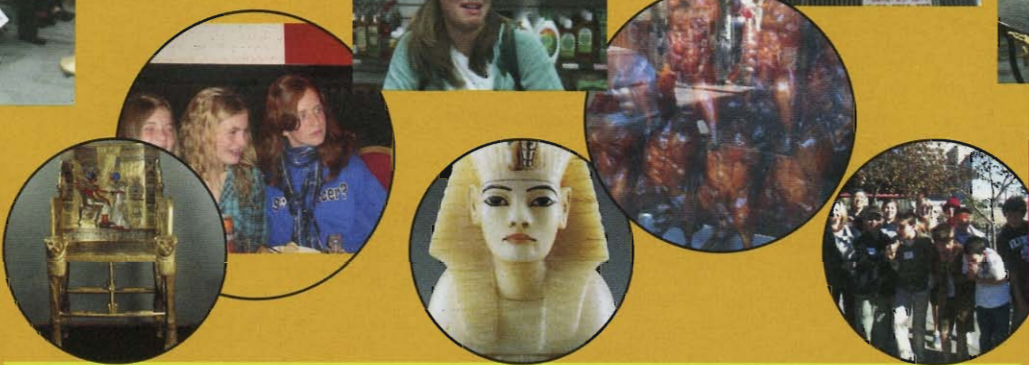

HILLVIEW FACES

#3

One of the most exciting points of the 7th grade year is going to Chinatown to learn about Chinese culture and have a wonderful lunch.

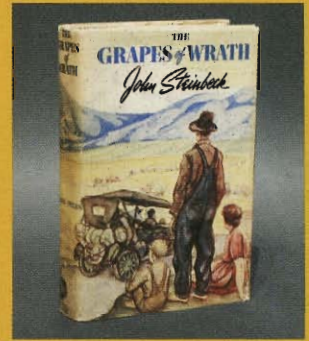

6TH AND 7TH GRADE FIELDTRIPS

In the 6th grade this year, students went to the King Tut exhibit in San Francisco and learned more about the history of Egypt.

8TH GRADE FIELD TRIP

Calling all eighth graders.....
Every eighth grader went to the Steinbeck Museum, as well as the Monterey Bay Aquarium. This was a fun filled adventure for all. We learned about Steinbeck's career and his life. We also learned about science at the Monterey Aquarium.

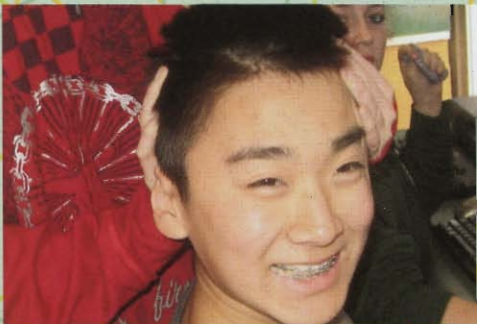

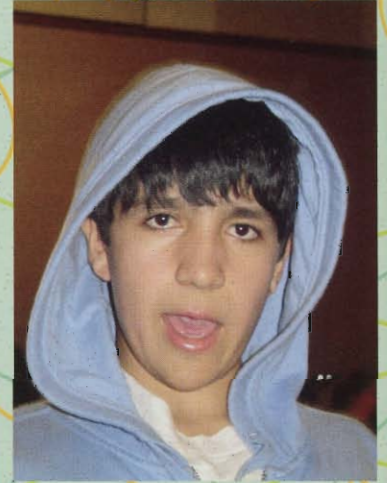

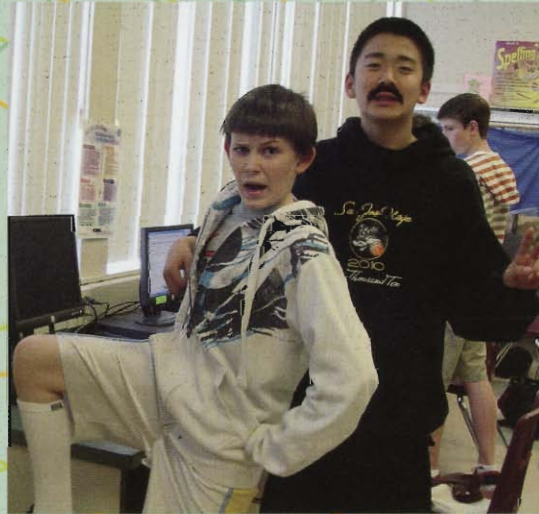

I have come to believe that a great teacher is a great artist and that there are as few as there are any other great artists. Teaching might even be the greatest of the arts since the medium is the human mind and spirit.

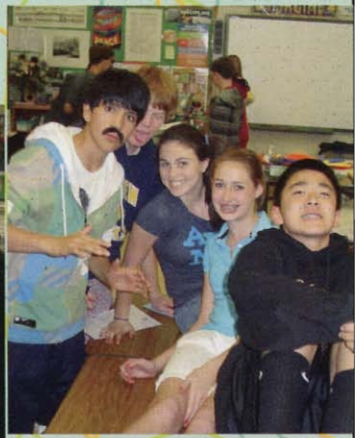

John Steinbeck

YEARBOOK STAFF

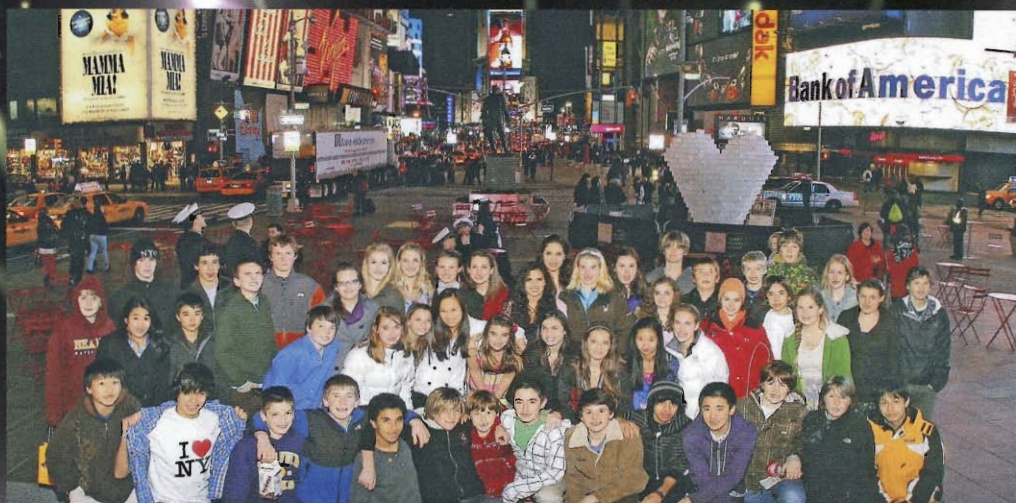

YEARBOOK STAFF

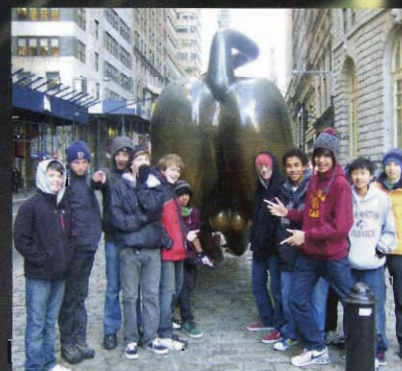

The Hillview Yearbook Staff is an organization full of amazing, intelligent people who dedicate their lives to their work, making the yearbook into a wonderful piece of art, worthy of praise, remembrance, and appreciation.

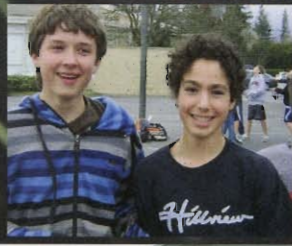

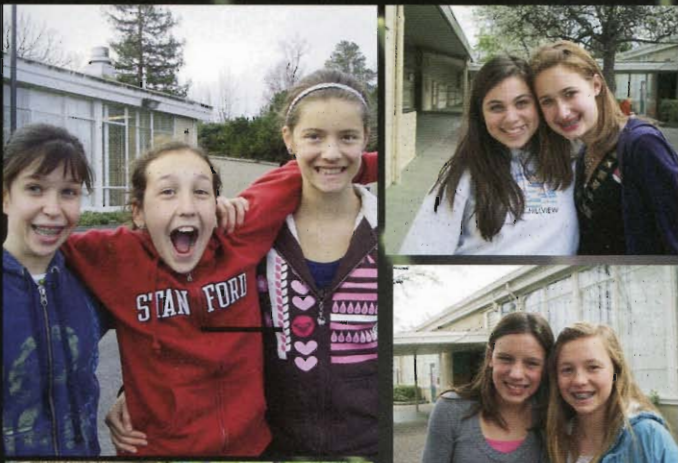

WASHINGTON D.C. AND NEW YORK TRIP

Fifty Hillview 8th graders boarded a Virgin American airplane early Valentine's Day morning. These adventurous pupils had embarked on the annual school voyage to Washington, DC and New York. They visited a variety of monuments, memorials, and museums. These picture-perfect scenes were spread throughout the stay, and plenty of photos were taken.

WELCOME TO 8TH GRADE

Eighth Grade is an awesome year and worth the wait! We have many exciting projects such as Decades and Bio Tea. We all get to know each other so well through our experiences at Hillview!

BIOGRAPHY TEA

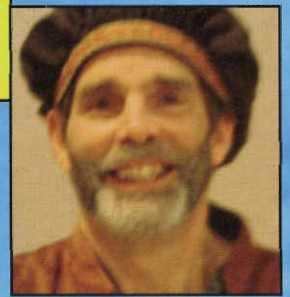

The 8th graders spend 2 months on writing a report on a special person who could be a relative, a family friend or anyone over 35 whom they know. After spending a long time writing the reports, they get a day where the biography subject (or someone who knows the subject) comes to Hillview. Most 8th graders get dressed up for this occasion. The students say a one minute, memorized speech to summarize the subject's life.

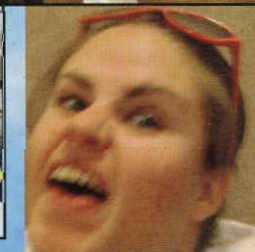

6TH GRADE FACES

RENAISSANCE FAIRE

Hear ye, Hear ye! Travel back in time to the Sakespearean era where the seventh grade participates in a variety of events, games, and festivities. Each faire participant must dress up as a fifteenth century European citizen and play their part.
