The sixth annual yearbook of:
HILLVIEW SCHOOL
Menlo Park City School District
Menlo Park, California

This book belongs to _____.

OUR NEW LIBRARY

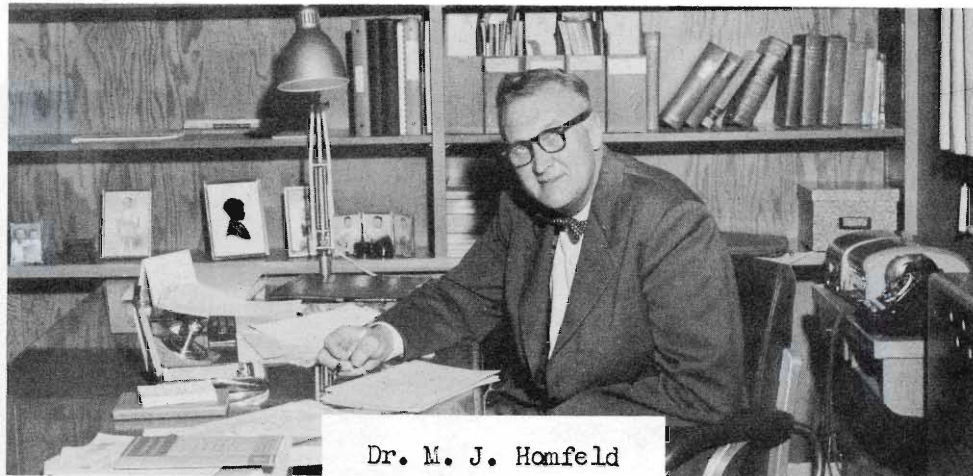

Mrs. Knight
District Librarian

OUR NEW LIBRARY

Our new library at Hillview, opened in March of 1960, has a shelving capacity for over 5,000 books at the present time. There are now over 4,000 books on the shelves, and the goal is 10,000 books within the next five years. These books range from picture books for the youngest to fiction and expensive research books for the older students.

The average daily circulation is seventy-five books with a weekly average of 405 books. Over forty-five student librarians and twelve volunteer mothers work with the District librarian, Mrs. Knight, to keep the library functioning smoothly.

SUPERINTENDENT

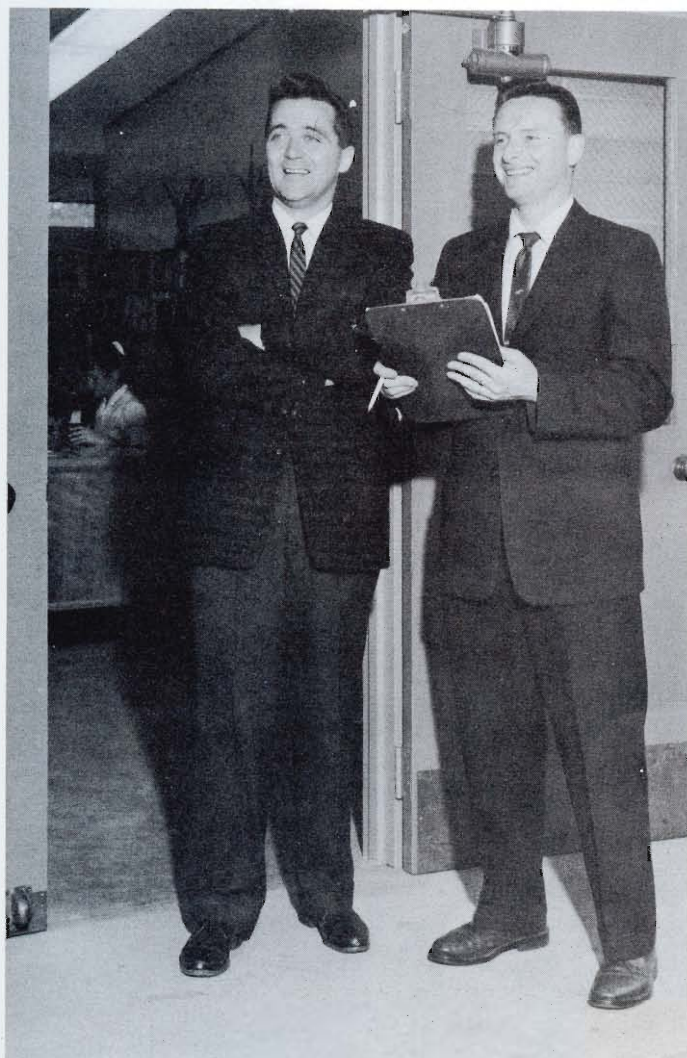

Dr. M. J. Homfeld

OUR PRINCIPALS

Dedication

The following pages are dedicated to Mr. John Martin, our principal for the past six years. We extend to him our best wishes in his new position, and we are sincerely grateful for the guidance, understanding, and patience he has shown to us.

Mr. Martin
Principal

Mr. Barnes
Vice-principal

Few of us need be reminded of the fact that we are living in an age when the opportunities for accomplishment are so great and the need for accomplishment so vital. Trained minds are unlocking the secrets of the universe at a startling rate. With each new discovery comes the mandate for further knowledge - both scientific and humanitarian.

To live successfully in this kind of world and to contribute our share to the continued success of our democracy, each of us must develop our own special talents. For many of us, this means taking advantage of the opportunities we have had and will continue to have to study with fine teachers in the best schools. Make each day of your life a day of maximum effort, and you will succeed in meeting your responsibilities to yourself and to your country. Good luck and God speed.

John L. Martin
