We are walking down the hall,
Yesterday walks behind us,
and tomorrow is around the corner.
As we turn the corner;
We can not help but look behind us,
and wonder,
Why do we keep walking?

We, the staff of the 1971-1972 yearbook, dedicate this yearbook to all the junior high students, who have graduated, and will graduate from Hillview. The junior high phase of life is not an easy one. There are many important decisions to make. It is a time of adjustment. So, this is for all of you who have done it, and for all of you who will.
