Hillview has filled our balloons with  
knowledge and experience  
Holding down our ropes  
Now our time to leave has come, so  
our friend, please let us go  
To fly off on our own  
Upheld by our high ambitions and hopes  
Carrying with us these cherished memories.

Homework, grades, and reports,  
School dances, clubs and sports,  
Referrals, broken test tubes, S.S. blanks,  
Bubble gum, ditching, 8th grade pranks.  
Lockers, bikes, and study hall  
The 6 minute and murals on the walls.  
"Let George Do It", the Bi-Centennial play  
Talent shows, sock hops, International day.  
Crazy weather, drought and snow . . .  
ONWARD, UPWARD here we go!!!
