A TOUCH OF CLASS

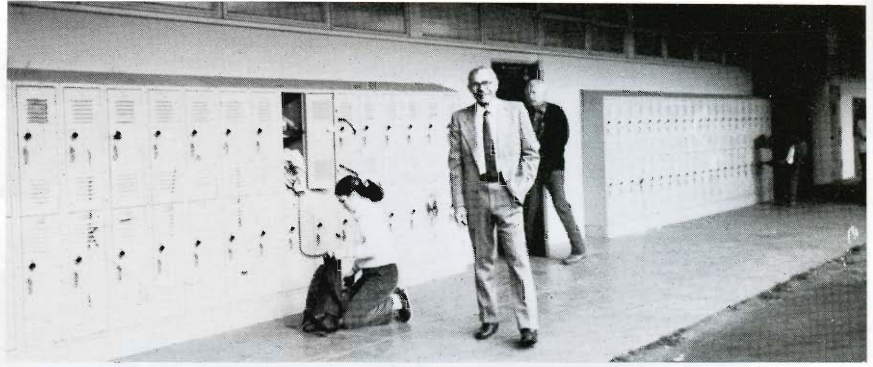

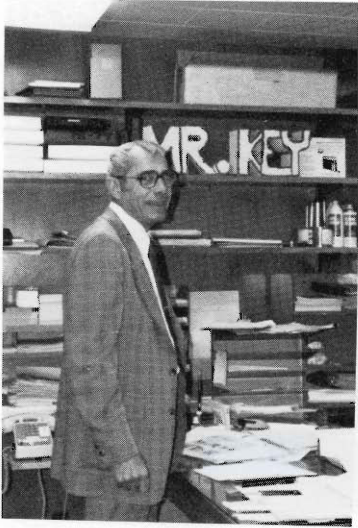

HILLVIEW

HAWKS

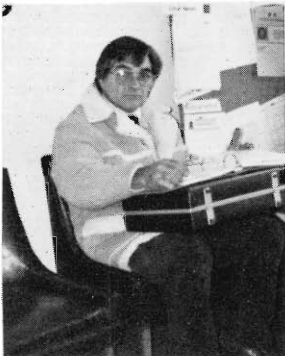

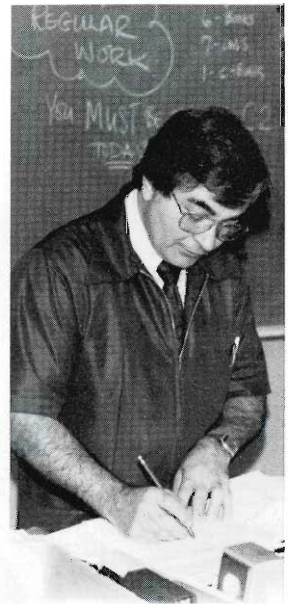

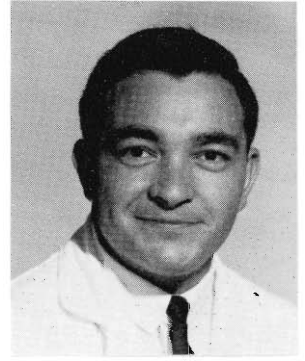

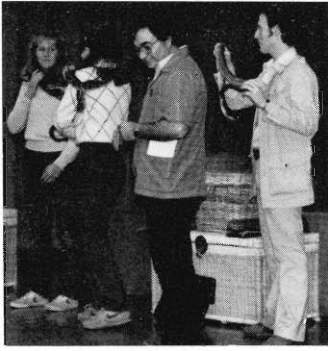

Walter Key, Principal

TO OUR GRADUATES

You are about to leave the relatively cloistered halls of Hillview and enter the ever widening horizons of higher education. The Menlo Park City School District has provided you with an educational background second to none. You are an exceptional group of students, and you are well prepared to meet the challenges ahead. I wish you every personal success.

Kenneth Capie, Teacher

We, the students of Hillview School, dedicate this yearbook to Mr. Capie, our teacher and friend. Mr. Capie was born on March 9, 1937. He was a good student while attending the State University of New York. At the age of twenty-one, he began his teaching career in Wallkill, New York. He finds it a challenge teaching Science and helping his students experiment with scientific knowledge. His hobby is woodworking, favorite food is steak and favorite sport is track. Mr. Capie, his wife and two children live in Cupertino. The students at Hillview are honored to have Mr. Capie as a teacher and friend.
