WHAT GOES ON AT HILLVIEW?

Farewell class of '92!

Class of 1992-I remember how kind you were to everyone. You took the time to help those who needed help. You noticed the teachers and students around you. You <u>cared</u> for Hillview. I'll miss you! - Mrs. McCarthy

My memories of the Class of '92 will be the files I have on most eighth graders during their 5th-8th grade year at Hillview. But as I've told many students, I block out what is their file by the next day. So all memories are positive of the Class of '92 (unless someone really gets "busted"). - Mr.C

The class of '92 is filled with students I will never forget because of their enthusiasm, warmth, talents, and sense of fun. King David and Queen Erin reigned over the best Renaissance Faire in Hillvlew's history. Drue, Frances, Ashley, Sho, and Divon are not only intelligent, but the finest artists I've known. From the positive leadership of Michelle, Julie, and Jessie to the entertainment of Mike, Shayne, Greg, and Tyler, the class of '92 will forever be remembered. –Mrs. Crawford

I remember sometimes reluctant but hard working, high achievers in math and creative students in shop. - Mr. Muhlestein

How does one write 4 years of memories in 2 or 3 sentences?! My fondest has to be the surprise baby showers the class of '92 gave me when they were in 5th grade. Roscoe and I still read our books and the messages inside the books will be cherished for years to come. Or could it be the peer counselling sessions where the trials and tribulations of adolescents took their toll....... Or perhaps the vision of leadership class out washing the windshields of teachers' cars......Or...............-XOX Ms. Devoto

In sixth grade science we took on the project of testing the "Space Seeds" (tomato seeds that had circled the earth for 2 years). The school year ended before we could produce a tomato. One trooper, Shelly Moore, took some plants home over the summer and, YES, they <u>did_produce juicy red tomatoes!</u> Her success was everyone's success! -Ms. Moore

1992's eighth grade graduating class is talented and creative. I recall a great Renaissance Faire and innovative projects. 1992's eighth grade graduating class has school spirit and a super attitude. I recall that student government positions were always filled by those willing to try new things. We love you. — Mrs. Chidichimo

To all my students who made 1991-1992 one of the very best teaching experiences- many thanks and best wishes. -D. Finstad

8-1 was truly a phenomenal class! They consistently asked challenging questions, offered insightful answers, and threw first-rate parties. Undoubtedly, they will amaze their future teachers! All the best to you- Fir. Shack

Rodin- "A Midsummer Night's Dream" with 8-3 - Peer Tutoring - The Sock Hop - Biographies and Georgia O'Keeffe - Good Luck! Stay cheerful and fun- loving! - S. Krumbein

When I think of the class of '92 I think of the word love: the love you have for each other, and that others have for you. There are so many wonderful memories. You leave Hillview not as my former students, but as my friends. I will miss your warmth and friendship, but trust that you will now share your love with a wider audience.—Mrs. Sharron Molder

I consider it an honor and privilege to have been the advisor for this class. YOU ARE THE GREATEST! You are fun, loving enthusiastic, caring, involved and creative. I will never forget your laughter and happy faces as you sang STAND BY ME at the Sock Hop. You have touched me, your parents and your friends with your enthusiasm and joy for life. Love you all. Ms. Worsley

8th grade class... great class-wonderful energy! - Mrs. Gelston
