If you wish to attain success, get the preparation and enter the profession that will make success the most certain.

The Field of Business offers by far the greatest opportunity for success.

To get started in the Business World get a business education.

More than ninety per cent of the big business executives in this Country trained in Commercial Schools. Follow their example. Get the kind of an education that made possible the success of such men as Rockefeller, Wolworth, Vanderlip, Gay, Chalmers, Perkins and most of the leaders in business.

Write for particulars.
