Get a Business Education

- ☐ THE COMMERCIAL COLLEGE is to business people what the law school and the medical college are to the lawyer and the doctor—a school for special training. You want a business education if you're going into business.

The Heald College

- ☐ Has trained thousands of young men and women for the business profession and placed them in positions—the first step in a business career.
- ☐ You can complete a course and be earning a good salary in a surprisingly short time. Our book of school information tells how. Send for it. Heald Commercial College.
