## WHAT HAPPENED TO JONES

In February, the members of the senior and junior classes presented "What Happened to Jones," a snappy comedy. The mirthful sounds which came from the auditorium indicated that the audience enjoyed the play. Each member of the cast upheld his part to perfection. Everyone seemed to have ability to get outside of himself and into his part.

Jones, to whom many things happened, some funny and some otherwise, was played very cleverly, by Corell Smith. He had the ability to act the part of a traveling salesman and of a dignified bishop at nearly the same time, which is hard for an amateur to do. He was distinctly the star.

Isabelle Chap de Laine appeared as the delightful and charming Cissy. It is no wonder that Jones fell a victim to her charms.

The role of Mr. Goodly, professor of anatomy, was well acted by John Kenefick.

Pearl Kern took the part of Mrs. Goodly. She was a fine example of what a dutiful wife should be.

The parts of Richard Heatherly and Marjory Goodly, the romantic young lovers, were taken by Raymond Bancroft and Edna Thompson. They left nothing to be desired in their parts.

Norma Adams was very good as Alvina Starlight, the family old-maid, who was very much in love with a man she had never seen.

The dignified old Bishop of Ballarat was very well taken by Robert Rinn. He was dignified even when doing an Indian war dance.

Leonard Bruml was a good policeman who made every one step around lively.

Leslie Irey, as Fuller the sanatorium superintendent, Eunice Morris as Minerva, the professor's daughter, and Eleanor Joens as Helma who "never saw him come in, never saw him come out, twenty dollars," were all good and did much to sustain the main parts.

The Yokohama Maid

# The Operetta

The Yokohama Maid, a Japanese Comic Operetta, was presented here in April. For beauty and good music this operetta cannot be surpassed. In a lovely Japanese garden filled with wisteria and iris blossoms, Japanese men and dainty maids sang and drank tea, as guests of O-Sing-a-Song. They wore Japanese kimonos of every color imaginable. Miss Philbrook directed the orchestra, Miss Freda Jahant was the accompanist, and Miss Holm directed the acting. Between acts Oscar Erpenstein played some piano solos which were appreciated by the audience.

O-Sing-a-Song, a Japanese heiress, was presented by Helen Archer. This was a difficult role calling for a clear strong voice, and good acting as well. She carried out her part to perfection and pleased the large audience very much.

Ernest Klein took the part of the blustering old Mayor, Fateddo, who aspired to the hand of fair O-Sing-a-Song. He has a splendid bass voice, and both this and his ease of manner enabled him to give an intelligent interpretation of his part.

Vivian Tennyson appeared as the dainty, delightful Kissimee, who was so much in love with the Mayor's secretary, that she finally won him over, in a very humorous manner indeed.

O-Sing-a-Song's old nurse, Tung-Waga, was acted by Elzora Bull. She was a good impersonator of the old maid, who so longed for the charms of youth.

Ozro Eddlemon appeared as Knogudi, a Japanese secretary, and his longings for O-Sing-a-Song were presented with the true pathos called for.

Harry Cortcase, an Americanized Japanese lawyer, who marries O-Sing-a-Song, was well taken by Walter Pickering.

Corell Smith took the part of Ah No, a Chinese laundryman who was on his way to his little Suki Tong. He has a splendid voice which the audience appreciated to the extent of an encore, and he very sympathetically presented his part.

Isabelle Chap de Laine and Vivian Wilder were the two American girls, and Ora Hammer was the dainty little Japanese Nodding Doll.

# ATHLETICS

## BASKET BALL.

Basket ball has always been a major sport at Lodi Hi and this year was no exception. The team engaged in 16 games and lost only 5, thus having a percentage of 68 at the end of the season. When the C. I. F. season closed, Lodi finished second with a percentage of .666.

The team took some very enjoyable trips, the one to San Jose being the best of all. The boys were also treated royally by the Martinez girls.

Of the team six were seniors and the school will feel their loss keenly next year. The following wore the block L last season:

- S. Sanguinetti (Manager)—Forward . . . . . Senior
- G. Steele—Forward and Center . . . . . Senior
- C. Mundy—Forward and Guard . . . . . Senior
- B. Towne—Center . . . . . Senior
- R. Bancroft—Guard . . . . . Senior
- E. Peel—Guard . . . . . Senior
- P. Perrin—Guard . . . . . Freshman
- C. Folendorf—Guard . . . . . Freshman

### Lodi, 33; Tracy, 21

Lodi met Tracy in the first practice game of the season at Lodi and won. This game did much to show just where the weaknesses were in the Lodi team and gave Coach Conklin a chance to strengthen the team.

### Lodi, 34; Tracy, 23

Lodi went to Tracy for the first game away from home. Both teams showed more class than when they had met earlier in the season, but the Lodi team had little difficulty in winning.

### Lodi, 18; Rio Vista, 21

Rio Vista was able to break the winning streak Lodi had long been enjoying. This game, played on a dance floor which was so big that the Lodi team became lost several times, was a disappointment to Coach Conklin who believed that Lodi should have won by a 2 to 1 score.

The Track Team

Girls' Basketball Team

### **Lodi, 47; Livermore, 9**

When the Lodi boys met Livermore they enjoyed a fine walk-a-way. The game was too one-sided to be of much interest, but the crowd seemed to be greatly interested to see just how many points Lodi could run up. Fifty was the number the rooters desired but the team could deliver only 47 of these.

### **Lodi, 31; Martinez, 20**

This game played on a slippery dance floor was another victory for Lodi. The Lodi boys did many "Annette Kellermans" onto the floor but won nevertheless. One of the features of the trip was the game between the Richmond and Martinez girls. The boys pronounced this the best game they had ever seen. The Lodi boys rooted the Richmond girls to victory, who in turn rooted for the Lodi boys. The rooting of the Richmond girls was responsible for Lodi's victory; at least the boys say so.

### **Lodi, 30; Modesto, 23**

This was the first real workout the Lodi team had and as the Modestites were steppers, the Lodi boys were forced to extend themselves in order to win. The team was able to show much more class than in previous contests.

### **Lodi, 61; Marysville, 12**

Lodi met Marysville in the last game before entering the C. I. F. This game was a test of the Lodi team and the result proved highly satisfactory to all concerned except possibly Marysville. The Lodi guards as well as the forwards contributed their share of the 61 points scored by Lodi.

### **Lodi, 33; Stockton, 19**

This was the opening game of the C. I. F. and victory meant much for the Lodi boys, especially as they were pitted against their old rivals. The Lodi team traveled like a whirlwind in the first half. The score at this time read Lodi, 22; Stockton, 6. The second half was slower, Stockton scoring 13; Lodi, 12. The rooting was full of pep and Lodi pulled a new stunt when it lowered a funeral wreath at the end of the game.

### **Lodi, 30; Rio Vista, 31**

This game was a great disappointment to the Lodi fans because they held that the team lost through poor management, and they were about right. The players that a week before had shone so brightly were not used until rather late and were then sent in one at a time so that they could not work together. This was the closest game that Lodi engaged in.

### **Lodi, 19; Sacramento, 27**

Due to the referee's efforts and the absence of Sanguinetti from the lineup, Lodi lost the third game of the C. I. F. The referee was hired by Sacramento High School and seemed imbued with the idea that his employers must win and so he tied up the game and handed it to S. H. S.

### **Lodi, 33; Woodland, 13**

Woodland met Lodi in the second game of the C. I. F. at Lodi. The Woodland team was composed of Eaton and four others who watched him play. The Woodland players made a fatal mistake when they put two men on Sanguinetti, for this left Steele open and he scored 6 field goals.

### **Lodi, 43; Woodland, 19**

Lodi went to Woodland for the return game and after some dissension

the Woodland coach consented to the use of the high school gym as a court. The Lodi team was able to show the residents of Woodland how to play basketball and won easily. Sanguinetti featured when he scored 9 out of 10 free throws.

#### **Lodi, 15; Stockton, 21**

February 12, Lodi met Stockton at Stockton and lost the C. I. F. championship. The game was fast and no particularly rough playing was indulged in. Since this was the thirteenth game of the season, it proved indeed unlucky for Lodi. The boys were up in the air; they passed raggedly and could not seem to find the basket. Lodi lost but is not willing to admit that Stockton Hi has a better team. The Lodi rooters pulled the first bleacher stunt ever seen in the Stockton gym when they formed a large white block "L." The block "L" was formed by wearing white caps and was set in a field composed of red caps.

#### **Lodi, 40; Sacramento, 25**

After the reception the Lodi boys got in Sacramento, they waited impatiently for the night when they would meet Sacramento at Lodi. When this night rolled around, the Lodi team was ready to go. After allowing Sacramento to score 10, the Lodi team got going and made the Sacramento team look like truck drivers.

#### **Lodi, 20; San Jose, 23**

The Lodi teams remembered so vividly the good time enjoyed at San Jose last year that they decided the season would not be complete without taking on San Jose. The games were arranged and the opening game was at San Jose. The Lodi players were beaten by a close score in a thrilling game but that was just a detail, when one considers the royal manner in which the Lodi players were treated.

#### **Lodi, 35; San Jose, 22**

The return game with San Jose was played and while Lodi students could not equal the entertainment the team received in San Jose, they at least beat them and closed the season with a victory. For a long time it seemed as if the season for Lodi was going to be ended by a defeat, but in the second half the home team began hitting on all five and nothing could stop it.

\* \* \*

### **INTERCLASS BASKETBALL**

In the interclass basketball games, the seniors won easily from the juniors, and the freshmen from the sophomores. The senior-freshman game was a thriller until the beginning of the second half. During the first half the seniors were over anxious to score and as a result were on the short end of a 14-15 score. During the second half the senior guards played back and held the freshmen to one field goal and a free-throw, while the senior forwards scored nine field goals. The final score was: seniors, 32; freshmen, 18.

\* \* \*

### **GIRLS' BASKETBALL**

This was the most exciting sport that the girls participated in during the year. The team practiced very hard and developed some splendid team work. The former boast of "no defeat on our own court" was maintained by the girls due to their steady practice and to the untiring zeal of Miss Coffin. The climax was reached when they defeated the champions of Santa Clara County, the San Jose girls, by a score of 30 to 20. The first team was composed of

the following girls: F. McArthur, touch; A. Wilder, side center; N. McArthur and L. Ferguson, forwards; M. Huestis and G. Perrott, guards; A. Thomas, J. Loveless and V. Wilder, substitutes.

January 21, Rio Vista, 29; Lodi, 42. The Rio Vista game opened the season with a victory which gave many thrills. The team was well chosen and showed what practice could do.

January 29, Lodi, 27; Woodland, 9. The Lodi girls met their opponents, the Woodland girls, on the home court and demonstrated their firm team work. The Woodland team put up an exceedingly hard fight.

February 4, Woodland, 21; Lodi, 20. The Lodi and Woodland girls were evenly matched and played an excellent game at Woodland. The Lodi girls after innumerable tumbles, lost the game.

February 11, Lodi, 36; Ripon, 3. After school on Friday, February 11, the Ripon girls' team played the Lodi girls. The game was very one sided. The Lodiars seemed far more experienced than their opponents and won the game by a large score.

March 5, San Jose, 29; Lodi, 28. This game with San Jose had long been wished for. The Lodi girls tried hard to make this a victory, but the deciding point, which was made in the last twenty seconds of the game by San Jose, brought the score up to 29 to 28 in San Jose's favor.

March 12, Lodi, 30; San Jose, 20. The final game which was played with the San Jose team, was by far the most exciting of the entire year. The score at the second quarter was a tie but by the end of the second quarter the Lodi score showed increased strength and at last was won by the Lodi players.

When the ball was touched in the center by the Lodi girls, the quick passing and strong team work carried the ball to the forwards, who, with their excellent goal shooting, raised the score to its final point.

### GIRLS' BASEBALL

The girls have started indoor baseball under the careful instruction of Miss Holm and have had one game this year between two chosen teams, the Torpedoes and the Whales. The game took place April 22 and the Torpedoes lost to the Whales. The score was 15 to 13. The teams are:

Whales	Torpedoes
Capt.—Doris Welch	M. Little
Pitcher—N. McArthur	L. Boese
Catcher—M. Hagenhofer	E. Pletz
First Base—E. Herman	G. Stemler
Second Base—L. Haas	M. Declusin
Third Base—E. Morris	M. Little
Shortstop—B. Dotson	E. Ulmer
Right Field—E. Schmidt	M. Wall
Center Field—L. Frey	A. Preszler
Left Field—M. Rathbun	L. Stafford

### TENNIS

Tennis has many enthusiasts who are found on the courts in good weather. There are many fine players who may develop into champions next year. M. Sollars, E. Thompson, D. Welch, I. Lange, G. Perrott and I. Chapdelaine are a few who are seen frequently playing tennis.

Boys' Basketball Team

Baseball Team

## BASEBALL

Renewed interest was taken in baseball this year. The team played seven games; six were victories. The success of the team was due largely to the pitching of R. Handel.

### Lodi, 16; Woodland, 9

Not so bad for the first game of the season, is it? One of the features of the game was the hitting of Pinkie Black who scored four. Handel worked on the mound for Lodi for five innings when he was relieved by Steele. Steele pitched air tight ball, no runs being scored off him. The high wind made errors in the outfield inevitable.

### Lodi, 9; Galt, 5

That was the way the score board read at the end of our second baseball game of the season. During the early spasms the game was quite interesting, but after the fifth inning it was Lodi's game. The Galt players seemed unable to connect with Handel's slants at any time. One of the features of the game was a home run by Ireland. He connected with the first ball Handel pitched in the third inning and rode it over the heads of the outfielders. Handel had a great day with the willow, securing two three-baggers besides a couple of singles. The Lodi players made some errors, but practice will erase these if they can get their eyes on the ball, they will have one of the best teams Lodi has produced in many years.

Batteries: Perrin and Handel; Hart and Seward.

### Lodi, 6; Woodland, 1

The Lodi Hi baseball team showed that they were able to play away from home and win when they defeated the Woodland nine Saturday by a score of 6 to 1 at Woodland. Handel pitched like a big leaguer, allowing Woodland only a few well scattered hits. He was given almost errorless support by his team mates.

### Lodi, 12; Preston, 8

When the Lodi players beat Preston, they showed that they were real players. Preston had beaten Sacramento and put Stockton on the short end of an 11 to 1 score. Handel was in good form, so if his team-mates had given him good support, the Preston score would have been much smaller. He struck out 6 of the first 7 men to face him.

### Stockton, 5; Lodi, 3

The league game was played in Stockton. Due to the fact that the Lodi boys persisted in making errors and refused to hit at the right time, they lost. If the Lodi boys had played consistently they ought to have beaten Stockton, considering Stockton's record to date.

### Lodi, 3; Stockton, 1

When the return game with Stockton was played at Lawrence park, Lodi won. Handel should be given credit for a no-hit, no-run game. Jones misjudged a fly in left and Stockton got a runner on. He reached third and attempted to score on a bunt. Perrin fielded the bunt and threw third. In the excitement of the chase between third and home Pinkie Black dropped the ball and Stockton scored its lone run. Snyder had a great day at bat, driving in 2 of the 3 Lodi runs. Handel pitched the best game of his career sending 12 Stockton athletes back to the dugout by the strikeout route. His control was perfect; during the entire game he walked only 1 man.

## **Seniors, 10; Faculty, 6**

Carroll Mundy, president of the class of '21, challenged the faculty for the annual senior-faculty game. After about four and one half months had passed, the faculty played the game. The game was made the main event on the night of the football benefit. Conklin and Hawkinson formed the battery for the faculty, while Sanguinetti and R. Van Noate officiated at the funeral of the faculty. Too much credit cannot be given Steve for his pitching or to Reid for the admirable way he held Steve up.

Although Sanguinetti's speed was terrific, he never walked a man during the entire game. Conklin, on the other hand, had trouble each inning in finding the plate, usually passing the first man up. In the first inning the seniors scored 3, the faculty 1. When the smoke of battle had cleared away after the ninth inning, the score-board read, seniors, 10; faculty, 6. Think of it! This is the first time in seven years, in fact since this classic was instituted, that the seniors have won.

\* \* \*

## **INDOOR BASEBALL**

Last autumn before basket ball season began, indoor baseball was the game. The freshmen did much to make it popular. They played and beat the sophomores and juniors and then played a three game series with the seniors. The freshmen took the first game, lost the second, and won the third. This gave them the championship of the school.

## **TRACK**

This season track staged a comeback at Lodi Hi. Of the two meets engaged in one brought victory, the other defeat. The team was sent to the sectional meet at Davis but C. Smith and E. Klein were the only men who placed. C. Smith was fourth in the high jump and Klein tied for fourth in the pole vault. With the start made this year Lodi expects to develop a strong track team next year.

### **Lodi, 53; Woodland, 49**

Saturday, March 26, Lodi engaged in the first track meet she has taken part in for two years. The meet was quite a success. The day was far from ideal as a howling gale was blowing and did much to slow up the runners. The relay race would have decided the winner of the meet although Lodi had a small lead. Sanguinetti was the last man for Lodi and McAneny was the last for Woodland. McAneny passed Steve on the inside and as he did so gave him the elbow in the stomach with the result that Steve stopped. Lodi claimed the race on a foul. The referee threw out the relay which left Lodi on the long end of the score and Woodland went home much disgusted.

### **Lodi, 49 1-3; Woodland, 61 2-3**

Due to the fact that Steele and Sanguinetti felt the call of the great outdoors and went fishing while the Lodi track team was taking on Woodland, the Lodi team caught a sucker in the form of a 49 1-3 to 61 2-3 defeat. However, Lodi was able to cop the relay.

C. Smith covered himself with glory when he broke the Lodi High School high jump record by doing 5 feet 5 inches. Klein was the chief point getter for Lodi with 12, Smith second with 11, and McCoy third with 10. The rest of the score was piled up by L. Sanguinetti, Schlichter, Van Gelder and Tretheway with 3 points each.

# SCHOOL NOTES

- Sept. 13.—Blue Monday. and the thirteenth! Could there be a more unlucky day—for the freshmen?
- Sept. 14.—Lost: a freshman with light hair, a squeaky voice, and a timid manner. Anyone finding this "article," please bring it to the office.

# EXCHANGE

Our exchange list is a long one this year, and contains some very excellent books. We thank you for them. Let us hear more from you next year.

Caduceus—Chico.

A good literary department with clever stories. More cuts could be used.

El Rodeo—Merced.

A model book. Very good cuts and numerous pointed jokes.

Purple and White—Madera.

More cuts would make your good annual better.

The Sycamore—Modesto.

An attractive book with fine cuts.

Green and White—Inglewood.

Your stories are very good.

El Granito—Porterville.

Your cuts are very good; but where is your literary department? Why not have a list of exchanges?

Review—Sacramento.

Cuts and jokes are very clever.

## STUDENT BODY HISTORY

In the memorable year of 1921 the "Student Body" started in with the large amount of \$800 in its coffers. Sad to relate this amount has been drained by a succession of onslaughts seldom before witnessed by a conservative Student Body. While athletics and other functions of the school have brought in more money than in previous years, still so much new equipment has been purchased that the amount in the treasury is not far from having a ring around it.

To start out the year the Student Body purchased a large moving picture machine which cost \$950 and is one of the best that could be procured. Toward the conclusion of the term, due to the efforts of enthusiastic football fans, it was at last decided that American football should be installed as an activity of the school and that suits should be bought for the contemplated team. These suits will cost about \$800. Besides this expense, it will be necessary to build a grandstand and to put up a fence around the football field. However, these bills will not have to be paid until next October and the Student Body should be on its feet again by that time. We have continued to maintain our charitable inclinations during the year by donating something like \$400 from the Student Body.

The Student Body has unanimously voted to change the colors of the school from lavender and gold to red and white. This was a very wise action as it was almost impossible to decorate with the former colors; the new colors offer a large and varying decorative field.

The constitution was found to be in such a confused state that complete revision seemed necessary. It had been made for a small school and the greatly enlarged student body outgrew the once perfectly fitted code. The new constitution does away with a great deal of the "red tape" which was a hindrance in the previous form. After this revision is finished a number of booklets are to be printed and each student will have a chance to possess one of them. Taking all in all this has been a very enterprising year for the Student Body and with the addition of a moving picture machine and football it ought to be put on an even better financial basis than ever before.
