YOUR GOAL

¶ You can learn something from a successful football player, because attaining any worthy goal in life depends on the same regular, determined effort that is required on the football field.

¶ You may be saving to own a home, to purchase a block of safe bonds, to prepare yourself for a better position, or to attain some other worth-while objective.

¶ Our Officers will gladly help you plan your particular goal in life.

Our Obligations to You and to Others

The saying, "goods well bought are half sold," tells only a part of this Store's story.

Our obligation to our customers does not end with the actual purchase and sale of goods.

Every purchase you make from us must be the best from the standpoint of quality and price. Large volume buying for our hundreds of Stores assures greater values than are ordinarily to be had.

Each sale in this Store must carry with it absolute satisfaction to the customer. Our responsibility does not end until you are finally pleased.

PRINTING

Bookbinding :: Paper Ruling

:: :: Salesbooks :: ::

¶ Every business has its ideals and conditions; its personnel, products and methods of sale.

¶ PRINTING is the art of bringing these elements together in one compact, representative, harmonious whole. Your printing should express the advantage there is in specialized skill, for good printing, like a good man, will live long to the ends of usefulness and service.

GOOD SPORTS — *Glevis. K. Helon & Moddy K*

That term may be correctly applied to all the grads of the old "Flaming Tokay." They have stuck, and have played the game according to rules. May they have the same success, but greater, in the grand old contest of life which they are now entering.

THE PURPOSE OF "HOME BEAUTIFUL"

Has become the desire of all, the humblest cottage on the by-ways, equally with the palatial mansion, and beautiful homes today are within the reach of all; they share the ability to create, each in its separate fashion, the same essential—liveableness, expressing beauty—harmony and comfort. When you think about furnishing a room or a complete home, just come in and we will gladly assist you in every way we can. We are here to serve you and serve you well.
