No one has ever found a substitute for home. It may be possible, but it is awfully hard to sing "Home Sweet Home" in a rented house, especially when you can acquire a home of your own with very little self-denial and perseverance on your part.

Paraphrasing Lincoln's famous words:

THE BANK OF ITALY is...

A bank *created* by the people

The Bank of Italy owes its success and magnitude to the so-called "common people."

A bank *owned* by the people

It belongs to nearly 15,000 Californians.

A bank *operated* for the people

The Bank of Italy caters to the great rank and file of citizens who are making California an empire of industry, economy and thrift.

ESSENTIALS

If your cow has halitosis
Or your hair is falling out,
If your face is sore from shaving,
Then, I pray, don't be in doubt,
Use Listerine—It soothes.

If the boat you're in is sinking
And there is no help in sight,
Never waste your strength in swimming
Or lose consciousness from fright
Use Ivory—It floats.

When you take examinations
And you're horribly surprised
When you find that you've forgotten
All you thought you'd memorized
Use common sense—It works.

A PLAY IN ONE ACT

Time: Dark.
Place: Park
Action: Spark.

Mary had a Thomas-cat;
It warbled like Caruso.
A neighbor swung a baseball bat,
Now Thomas doesn't do so.
