## NEW ACTS IN 1937

### TRAFFIC SQUAD

Lauchland, Goodman, Newman, Solari, McKindley, Fox, Clasen, Purviance;  
Schwarze, Johnson, Correll, Donald, Wolf.

This year, student government was created for Lodi Union High School by an election held April 23. In the future, the commissioner type of government, granting greater individual freedom and activity, will be employed.

Along with Student government, the first Student dance, the Junior-Senior Prom, was held May 14. Because of the success of this dance, a future of frequent student dances is promised.

Hand-in-hand with our dance and our new constitution, an efficient traffic system was started. A corps of Junior and Senior boys have acted as traffic officers during the latter part of our school year.
