*'Bee  
Tramontini*

Every production has its star. This year, our leading lady in high school affairs was Bernice Tramontini, adjudged "California's outstanding high school girl" in a citizenship contest sponsored by the California Daughters of the American Revolution. Bee was awarded a trip to Washington, D. C., to represent California at the national convention of the D. A. R.

The spotlight shone upon her in our high school drama also, for, as student body president, she led extensive reforms and inaugurated a new system of student government. Athletic, active, and delightfully gracious, Bee Tramontini will receive many encores for her splendid performances on the great stage of Life.
