Senior Class

The activities of the Senior Class were started by the election of Senior Class officers. The boys seemed to have things pretty much their own way, as Phil Dettmer was elected president; Jack Schwarze, vice-president; and Bill Beckman, secretary.

Phil took charge immediately and appointed committees for Ditch Day, Senior Day, class announcements, and other functions. The committees for the class flower, class colors, and a class motto presented a variety of choices to the Seniors, who voted after a heated discussion. The results were as follows: Class flower: *Gardenia*. Class colors: Blue and Silver. Class Motto:

“It is not the gale, but the set of the sail
That determines the course we go.”

The class of 1938 voted to put a plaque in front of the school and created a new tradition by handing a lamp of learning to the head of the Junior Class.

Ditch Day was held at McKinley Park, in Sacramento, on Friday, May 13, 1938. There the Seniors played games, ate their lunch, and listened to the class prophecy.

However, all was not play, for the Senior Class was very active in formation of policies of a new student participation in the government that was started this year.

Baccalaureate services were held in the auditorium June 5, with Reverend Verne Brown presiding. Father Hardeman read the Scripture, Reverend A. R. Boone gave the address, and Reverend Primus Bennett gave the benediction.

The year's activities closed on June 9 with the graduation of the Senior Class on the Flame Field.
