Tennis

Prospects in Golf this year are excellent. Lodi has a veteran squad and are definitely the team to beat for the Conference title. Several of the team consistently shot in the 70's and to date the squad is undefeated.

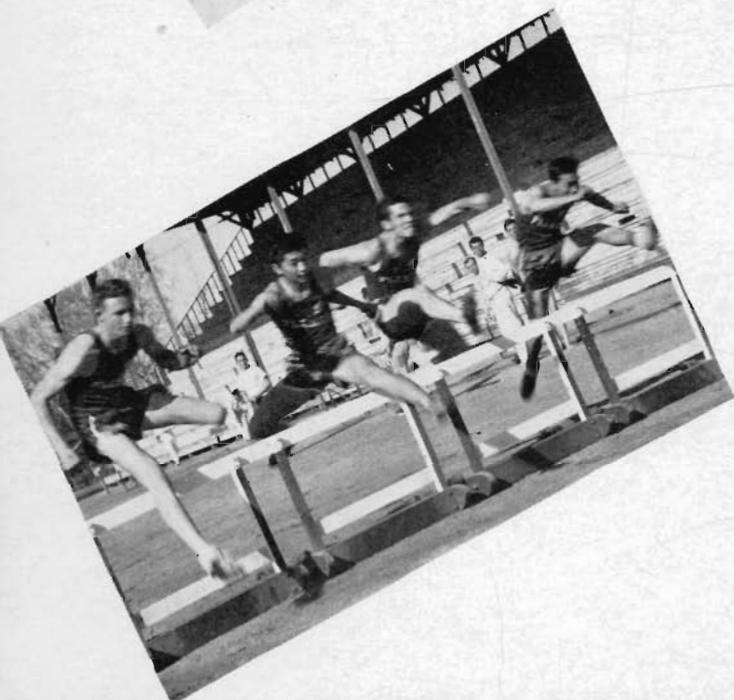

Tennis is still in the process of building and the team lacks experience. Facilities for tennis at Lodi High are not good, and it is hoped that when the new school is completed tennis may make a comeback.

B Squad

In keeping with a long standing tradition, Coach Ed Siefertling has again turned out strong Varsity and "B" swimming squads. With league meets just getting underway the Flame teams show they are well-balanced and should sweep aside all opposition. The Flames only defeats so far have come at hands of the University of California Frosh and the powerful Hayward High squad in practice meets.
