BUSINESS TRANSACTIONS

Your telephone account is the responsibility of a service representative in our business office, whose job is to make sure that your telephone service is at all times as satisfactory as it can be. Whether you're moving to a new location, have a question about your bill, or about your telephone service, she'll be glad to help you. You may call either by telephone or in person.

BUSINESS BY TELEPHONE—Our Business Office telephone number is Lodi 9-4731. When you call, simply give your telephone number to the attendant who answers and ask for your Service Representative. There is no charge for these calls.

IF YOU PREFER TO CALL IN PERSON—the Business Office at 114 W. Pine will be happy to serve you. The office is open from 8:30 A.M. to 5:00 P.M., Monday through Friday, inclusive, except on certain holidays.

YOUR TELEPHONE BILL—You may pay your telephone bill by mail, or in person, at the Business Office—114 W. Pine—Monday through Friday except on certain holidays.

Payment by Mail—Please use the return envelope enclosed with your bill, and send us the stub of your bill with your check. If you've mislaid your bill stub, please write your telephone number on your check so we may quickly and accurately credit the payment to your account.

Rates and practices included in this directory are those in effect at the time this directory was closed for printing and are subject to such changes as may be made from time to time.

IDENTIFICATION OF EMPLOYEES—Each employee of this Company who regularly visits the public is provided with a photographic identification card. This card, which is properly countersigned, shows the employee's name, signature and photograph. If you doubt the right of a person to represent himself as an employee of this Company, and he cannot furnish an identification card, please call the Business Office.

OTHER MATTERS

ATTACHMENTS TO TELEPHONES—In the interest of good service, please do not use any devices on telephone equipment except those furnished by the Company. The devices claimed by agents to eliminate noise, to destroy germs, etc., are usually detrimental and interfere with good service.

TELEGRAMS—To send a telegram follow directions under the alphabetical directory listing for Western Union for your local service area. (If there is no Western Union listing for your local service area, call or dial Operator and ask for Western Union.)

YOUR TELEPHONE DIRECTORY

COPIES OF THIS DIRECTORY—Use of an out-of-date directory interferes with good telephone service, as each new issue contains many changes. As a matter of good service, the Telephone Company retains ownership of telephone directories. For this reason we ask that they be given to the delivery man at the time the succeeding issue is distributed.

ERRORS—Every reasonable effort is made to make the di-

rectory as accurate as possible. The Company, however, assumes no liability for damages arising from errors or omissions in the making up or printing of directories.

DIRECTORIES OF OTHER CITIES—Telephone directories of other cities may be consulted at our Business Office. If you desire copies, they may be obtained at an additional charge by arrangement with the Business Office.
