CASHIERS!

TELLERS!

CLERKS!

Do your employers furnish you with the latest edition
of the City Directory?

You need it at your elbow at all times, to protect your company from
forgers and bad-check artists. A few questions, checked against City Direc-
tory information, will trip them at once. Intelligent use of the City Direc-
tory for this purpose has saved thousands of dollars and helped make some
cities "too sharp" for bad-check "operators."
