

Olive Grisham
President

John Cosgriff
Vice-President

The Juniors started the year right by electing a capable executive committee as follows:

President.....	Olive Grisham
Vice-president.....	John Cosgriff
Secretary.....	Velma Laurence
Treasurer.....	Duane Miller
Sargeant-at-arms.....	John Hansen
Cheer Leader.....	Clarence Greenberg
Class Advisors.....	Miss Walker, Mr. Meacham

Juniors--Class of '29

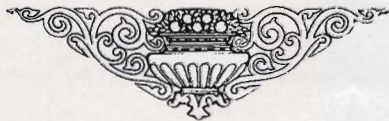

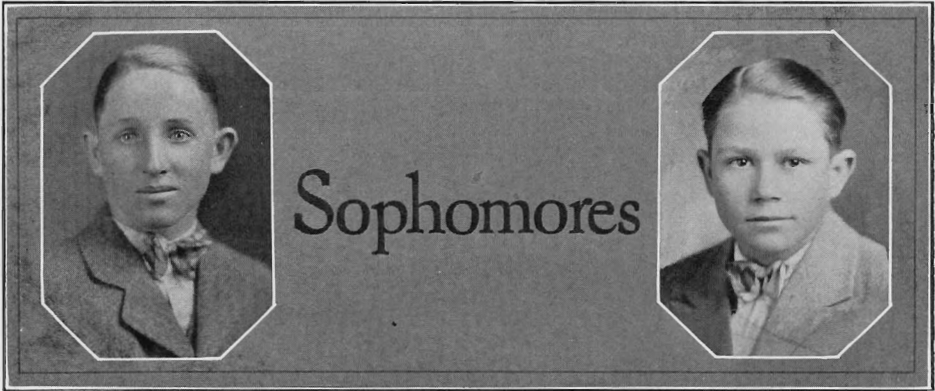

One glance at the good-looking bunch of Juniors in the picture above would convince anyone that they are indeed worthy of bearing the reputation of being one of the most progressive classes in the school.

It should be noted here that the Junior girls felt it their duty to keep up the Junior record, so they out-classed their worthy opponents and carried off the Championship in both Basketball and Speedball.

Those who have represented the Juniors in Scholastic honors are: Phyllis Frank, Edna Keppel and Donovan Hatch. Donovan also won many typing awards and represented M. U. H. S. in the Extemporaneous speaking contest. The class of '29 presented an evening of one-act plays, something new in the history of the M. U. H. S., the presentation was known as the Junior Jamboree. Soon after this the class had a Snow line party and invited the seniors. That certainly was an enjoyable day.

The JUNIOR-SENIOR banquet was one of the most delightful social affairs of the year.

Chrystal Fogle
President

Robert Raines
Vice-President

The peppy class of '30 started the year right by electing a good reliable group of officers and advisors.

Sophmores--'30

The "Big Event" of the year took place on February 25, when seven automobiles of pleasure seekers started off for Long Barn. Immediately after arriving groups were formed to go place on February 25, when seven automobiles of pleasure seekers started off for Long Barn. Immediately after arriving groups were formed to go in search of adventure. Tobbogganing proved to be the most popular sport of the day. A delicious luncheon was served, in which everyone participated joyfully. We arrived home about 6:30, after snapping many good pictures. The next social function was the Soph. Skating Party, held April 13th. A number of experienced and unexperienced students donned their skates, and spent an evening of fun. A good many falls, collisions, and bruises resulted, but rejoicing was had by all.

Many Soph. boys and girls took prominent parts in sports, dramatics, and debating. The Student Body was favored with an assembly, which was appreciated by the Upper Classmen as well as the Freshmen and Faculty.

Our Sophomore year may be regarded as a huge success—but, if you are interested in "progress", keep in contact with the class of '30.

Lloyd Steiger
President

Velma Simmons
Vice-President

In September, 1927, the largest class of Freshman in the history of Manteca High entered into the halls of learning and became pupils. Though very new and "green" the Frosh soon became acquainted with teachers and schoolmates and the school year was well started.

The first Freshman class meeting was held in the auditorium October 25, 1927, and the following officers were elected: Pres. Lloyd Steiger; Vice-Pres. Grace Simmons; Sec't Wallace Wood; Treas. Maxine Elliott; Song Leader, Marie Brown; Yell Leader, Charles Clark; Sergeant-at-arms, Peter Nascimento; with Miss Saxon, and Mr. Brown as advisors. The first social event was the Freshman Mixer given by the Student Body which will remain long in the memories all who were present. After the stunts and games, refreshments were served and everyone went home tired but happy. In spite of handicaps, the Freshmen have made quite a record for themselves in school activities. It is the hope and the aim of the Class of 1931 to make even a greater record in the years to come and to be a credit to our high school.
