GIRLS' LEAGUE

PRESIDENT	DOROTHY DUNN
VICE-PRESIDENT	VIRGINIA JOHNSON
SECRETARY	ALBERTA JEFFERY
TREASURER	JEAN KIRK

Opening the social season with a "Western" theme, the girls showed their ability in providing fun for all. Their work in the Red Cross was continued and they at all times contributed toward Student Activities.

In the spring the girls showed real American spirit in their backward party. The "Patriotic" theme was carried out well. As a finishing touch, the installation of the coming year's officers took place at the annual Mothers' and Daughters' Tea given in May.

BOYS' FEDERATION

PRESIDENT	FRED CLARK
VICE-PRESIDENT	CHARLIE TRESIDDER
SECRETARY	BILL STEWART
TREASURER	BOB BONDHU

The major job of the Boys' Federation was to provide their annual party for the Student Body. It was a Saint Patrick's Day Party and was run off in true Irish style. The boys were lucky to be the first to have the new records, which the P.-T. A. donated, for a party. The boys did not alone sponsor any other activity for the school, but as an organization they were always ready and willing to help.

STUDENT COUNCIL

With representation from every organization and activity in school, the Council discussed and formulated laws concerning school life. To further the sale of War Bonds and Stamps, it challenged Le Grand High School to a contest, which we lost. Again it promoted the Bond Queen Contest and provided the Victory Ball, where the Queen of the Year was crowned.

The first amendment to the School Constitution concerning the awarding of cheer leaders letters was duly passed. The Council showed its enthusiasm in the furthering of student participation in the various dances sponsored by local clubs and organizations.

In resuming its activities of former years, under the direction of Mrs. Fiske the members of the Spanish Club showed their true spirit. They conducted most of their meetings in Spanish and always finished them off with songs from "South of the Border."

Their year's activities were begun with a Christmas party at which all the Spanish customs were observed. Some Spanish movies were presented by them and proved both enjoyable and educational to all. In the Spring, they presented a Spanish program, which consisted of a skit written by Victor Rhynard and several musical numbers. The Club hopes to continue its activities in the future.

With a membership of four persons in the first semester and five in the second, the Honor Society enjoyed itself immensely. The group joined the Junior Class to provide an evening of entertainment and presented "The Dummy," a one-act play. Each grading period they entertained those students who made the Honor Roll. With Miss Eckern, they spent an enjoyable day in Fresno at a district convention and ended their school year activities by their annual ditch day and the banquet given them by the Masonic Lodge.

Patricia Merrill, a transfer from Ohio, was a member during the first semester, but left just before Christmas.

Again this year the Sluice Staff, under difficult conditions, has continued the publication of the school paper.

A special effort has been made to continue the publication, despite the decrease in the Student Body and the lack of news, as so many of our former students now in the service have requested its continuation as a means of keeping in touch with former classmates now in various parts of the world, and as a tie with "the old home town."

SALES MANAGER	Arnold Matschke
ART EDITOR	Bill Moffitt
ADVISER	Miss Nash

With the war tying up materials the publication of this year's "La Mariposa" was most difficult, and throughout the greater part of the year its publication was questionable. The staff, with the assistance of Mr. Dexter and the Mariposa Gazette staff, spent many hours trying to give to the Student Body the best possible record of the school year which could be presented under the circumstances.

The Staff offers the 1945 "La Mariposa" as a record of a school at war.

BOND QUEENS

With beauty as a theme, Mariposa High sponsored the sale of War Bonds and Stamps with a Queen Contest.

In this contest two managers were chosen by the Student Council. These managers then selected a girl as their choice for a Queen and introduced her to the student body at a special assembly. Each purchase of bonds and stamps was credited to the purchaser's choice for Queen. The girl with the greatest purchase of bonds and stamps to her credit won.

There were four contests this year. November and December Queens were Dorothy Phillips and Virginia Johnson who tied. Helen McNutt won as January and February Queen and June Hufford as March and April Queen. As we go to press the contest is continuing with all four Queens running for the "Queen of the Year."

GLEE

The Glee Club under the direction of Mrs. Johnston has improved greatly in its ability at harmonizing. Mrs. Johnston specializes in music and takes much interest in the girls.

In addition to programs for Student Body Assemblies presented by this group, the girls added much to public school activities by their participation, and scored a triumph with an operetta, "Choosing a Dancing Girl," presented to the public as a part of the Junior-CSF sponsored evening of entertainment.

Dorothy Phillips, Lois Light, Betty Bradshaw, Stella Vance, Jean Kirk, Dorothy Kirk, Jean Murray and Billie Dickens make up the sopranos of the group, and Winnifred Freyschlag, Raye LaVonn Shorb, Joan McComas, Margie Hallack, Beverly Rhynard, Doris Ivey, Betty Bondshu, and Gene Nelson, the altos. Miss Florine Johnston was the accompanist.
