MODESTO'S INDUSTRIES

Industrial Land: 488 net acres are zoned for industrial development within the city limits, half of which are now being used for industrial purposes. Immediately adjacent to the city and due east is the East Modesto Industrial District with 25 industrial plants, developed by the Modesto Terminal Co. This is one of the West's outstanding industrial districts with 200 acres with power, sewage and rail facilities. Due south, the Tidewater Southern Railroad and Western Pacific Railroad have a 254 acre district. Other sites in various sizes are available dependent upon the needs of manufacturers and are served by all necessary facilities.

Existing Industry: At the present time, our industry consists largely of the processing of agricultural products consisting of canneries, milk processing, frozen foods, etc. Industry is becoming more diversified including lumber processing, a barium manufacturing plant, chemical, paper products, and a number of others.

Industrial Areas: Major industrial areas have developed to the east, south and northwest of the City proper. The East Modesto Manufacturing District, developed by Modesto Terminal Company, is one of the West's outstanding developed industrial tracts, with 200 acres with power, natural gas, water, industrial sewers and rail facilities. Due south, the Tidewater Railroad and the Western Pacific have a 230 acre tract. Other sites in various sizes are available dependent upon the needs of manufacturers. All are immediately adjacent to the city proper and served by all necessary facilities.

Manufacturing: There are 175 manufacturing plants in the community. Leading group classes of products are: food processing, wineries, dairies, turkey processing, the largest quick freezing capacity and food storage plant in the State, metal fabricating

and light manufacturing. The six largest manufacturing firms are:

1. Campbell Soups — Employs 450-700 people
2. John Inglis Frozen Foods—Employs 350 people — frozen vegetable and fruit
3. Milk Producers Association — Employs 300 people — dairy products
4. Marathon Corporation — Employs 235 people — paper products
5. Barium Products, Ltd. — Employs 250 people — chemicals
6. E. & J. Gallo Winery — Employs 214-307 people — wine
