

*First Baptist
Church Directory*

1964

1309 12th Street

Modesto, California

SPECIAL DEDICATION TO OUR OLDEST MEMBERS

MR. AND MRS. JAMES T. TOWNSON (MARY) have been faithful members of the Modesto First Baptist Church since 1911. He served in many offices, including five years as Sunday School Superintendent, 21 years as Deacon, and some 30 years given to work with boys and young men. Mrs. Townson was always active in the Woman's Mission Society and worked many years in the children's department of the Sunday School. In their later years they were

Charimen of the Home Department, and spent much time calling on the elderly and shut-ins. He organized the Golden Years Club and was its first President. As Librarians, they arranged and catalogued the extensive library facilities of the church. In 1948 Mr. Townson compiled a detailed history of the church, and he was Historian for the Golden Anniversary Book published in 1952.

Mr. and Mrs. Townson (Mary Patton) were married November 1, 1896, and soon will be celebrating their 67th anniversary. Born to them were five children — Martha, Clara, Arthur, Charles and Donald, all of whom became members of the church in their early youth. The first break in this family came with Arthur's death this past summer in Soledad, California.

They were always interested in matters of civic betterment also. Mr. Townson served some years as a Deputy Sheriff, was one of Modesto's first Boy Scout Leaders along with a Scout Drum Corps, and during World War I served overseas with the YMCA. Mrs. Townson accompanied him in Europe.

In February, 1962, this couple established residence in the Masonic Home at Union City, California, and enjoy reasonably good health for being in their late 80's. However, they still retain their membership and interest in the Modesto church, much beloved by their host of friends.

A Message from the Pastor

Dear Members and Friends:

This directory will serve as a keepsake for years to come and we appreciate your fine cooperation in making it a success. We realize that in producing such a booklet there will soon need to be corrections and additions, due to address changes and phone number changes plus the fact we expect the Lord to add to our number from time to time.

The directory has not been produced for use in commercial purposes, but is meant to be a means of furthering Christian fellowship among our people. We trust it will help you to get to know our entire church family personally. We have included some blank sheets in the back of the directory where you may add the names and addresses of new members as printed in the Bulletin from time to time.

We have made an effort to list all those who are presently attending our church services, even though their picture was not taken. If there are any omissions they were not intentional.

God has helped us over many a hurdle in the past and He will do the same in the future.

"I have you in my heart"! Philippians 1:7

Yours in Christian love,
