**HERE**

Is the dope. We have the only \$25 dollar wheel that is now worth \$40. Now you will have to show me how you can afford to walk when you can get a wheel like the SNELL, which is the bestest wheel what

**IS**

and you pay us only \$2.00 a week, or \$10.00 a month. We give you any bar, saddle, gear, or height of frame you want, costs you nothing extra. If you don't like your bar or saddle, why you can change it free of charge. This wheel is guaranteed for one year. The guarantee is the REAL article. It is one that is worth

**SOMETHING**

No, it ain't a bunch of hot air. We do just what we say we will. We told you last fall that we were here to stay, and here we are. We have grown from a little ten cent one horse shop to a great big store. We are now selling on an average of 150 wheels a month, and we expect to sell twice that many each month from now on. How can we do it? Oh, that is

**EASY**

Come in and we will show you how it is done. Do we repair wheels? Well, can a duck swim? When it comes to repairing we are the "it." We have a nice assortment of bicycle sundries, front and rear wheels, tires, etc., with prices to suit everybody. Our goods are fresh and clean. We are not loaded up with a lot of old stale stock. Your money back if you don't like the goods. We are here

**TO**

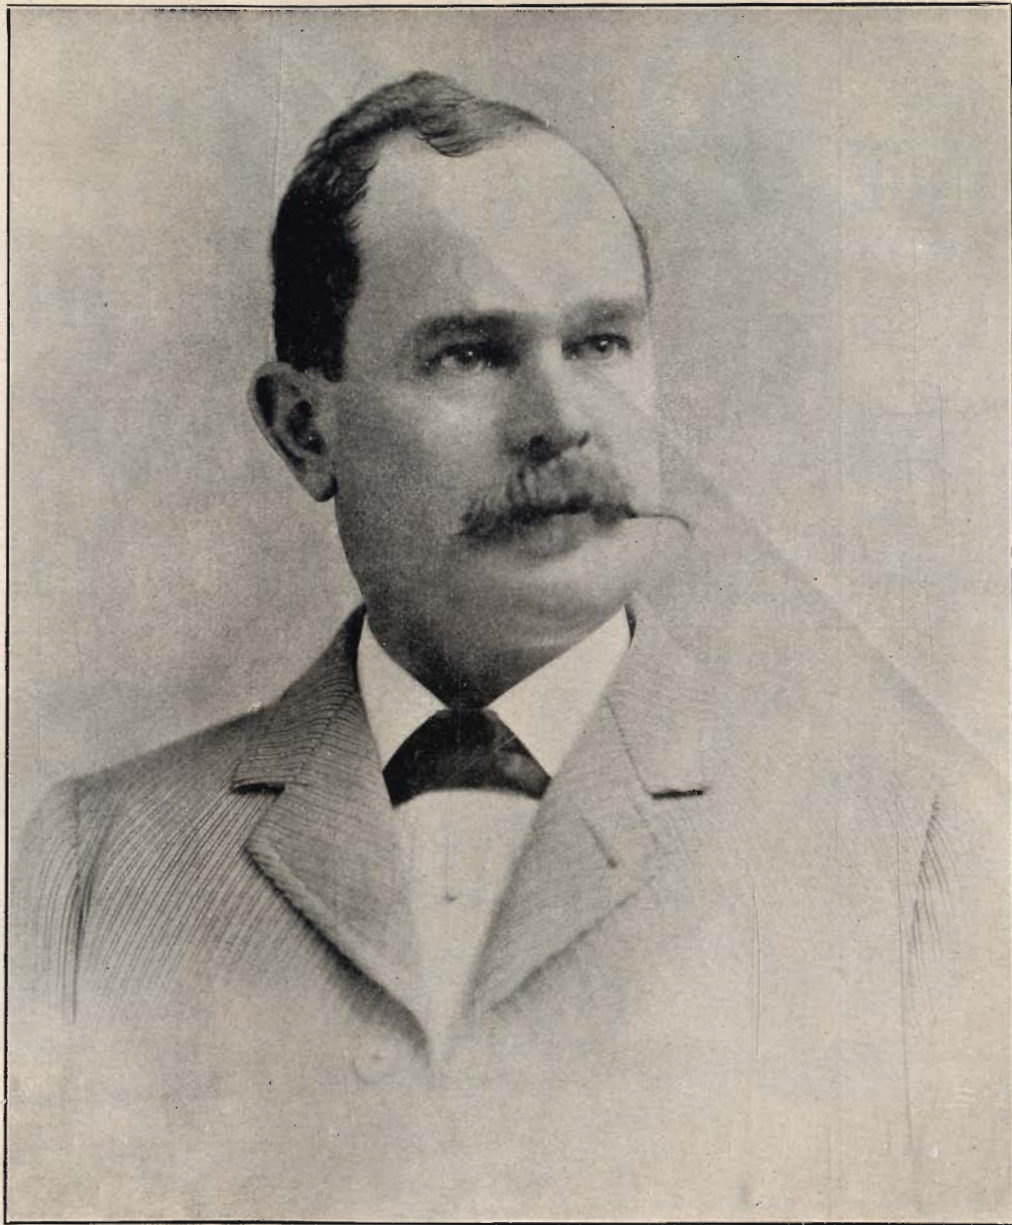

please you, and if we can't do it, off comes our hat to the dealer who can. Now, if you want a first-class bicycle, one that is built for strength, durability, speed and beauty, why the SNELL is the wheel, and you don't have to

**PUSH**

on the pedals all the time to make it go. We are the only agents in town for the Reading, and Yale Calif. Motor Cycles.
