CASHIERS! TELLERS! CLERKS!

Do your employers furnish you with the latest edition
of the City Directory?
You need it at your elbow at all times, to protect your company from forgers
and bad-check artists. A few questions, checked against City Directory informa-
tion, will trip them at once. Intelligent use of the City Directory for this
purpose has saved thousands of dollars and helped make some cities "too sharp"
for bad-check "operators."
