CASHIERS! TELLERS! CLERKS!

Do your employers furnish you with the latest edition of the City Directory? You need it at your elbow at all times to protect your company from forgotten and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check operators."

CASHIERS! TELLERS! CLERKS!

Do your employers furnish you with the latest edition

of the City Directory? To protect your company from forgers
 and bad-check artists. A few questions checked on City Directory informa-
 tion, will trip them at once. Intelligent use of the City Directory for this
 purpose has saved thousands of dollars and helped make some cities "too sharp"
 for bad-check "operators."
