Sutter Heights Hospital

INCORPORATED

Situated on Southeast Corner Twenty-first and T Streets

LOCATED on Sutter Terrace, the highest ground in Sacramento City, this new Hospital will accept all cases for Medical or Surgical treatment, with the exception of contagious diseases. Any practitioner of good moral character, belonging to one of the recognized Schools of Medicine, is at liberty to treat his own patients here and every courtesy will be accorded him. ¶The location is unequalled, the high ground affording excellent drainage, the beautiful trees surrounding the Hospital providing a most delicious shade, while the ample lawns will prove a constant delight to the seriously ill and more especially to those convalescents who are able to walk about the premises. ¶The whole Hospital equipment is absolutely new. The operating room has been erected according to the latest dictum of science and is entirely up to date. The rooms are spacious, giving ample ventilation. Situated as it is, in the southern part of the City, the cool winds from the Bay reach it before they have filtered through the City, and the Hospital thus gets the benefit of this pure air. ¶With a corps of competent trained nurses, every effort will be made to give the suffering public a quiet, cheerful, comfortable home where the most skillful Medical or Surgical treatment may be obtained. ¶The Hospital is easily reached by the 21st Street cars or by macadamized streets.
