St. Helena Sanitarium, Sanitarium, Napa County, California

(OVER)

The ST. HELENA SANITARIUM has been operated about thirty years, having been incorporated in 1878 as the RURAL HEALTH RETREAT. The buildings are situated upon an eminence overlooking the Napa Valley at an elevation of 760 feet above sea level.

It is the largest and best equipped medical and surgical institution of its class West of the Rocky Mountains.

The work of the institution is of a two-fold nature: First, to assist nature to restore normal conditions by employing such remedial agents as the case may demand. Second, to educate the patient to properly care for himself after recovering, so that a return of the difficulty will be avoided.

Parlor lectures, covering subjects of interest to health seekers are delivered semi-weekly and lectures on dietetics accompanied by demonstrations in healthful cookery are held each week, while the Natatorium, Gymnasium and various outdoor games and amusements, besides walking and driving, furnish ample amusement and entertainment.

For further information, address St. Helena Sanitarium, Sanitarium, Napa County, California.

To live long and well, ask your grocer for the famous Health Foods manufactured by the Sanitarium Food Company, St. Helena, California.
