

SACRAMENTO DIRECTORY CO'S DIRECTORY OF HOUSEHOLDERS 1918

In the following list, the Streets, Avenues, etc., are arranged in alphabetical order without regard to location. The number of each building on the street is given in numerical order, and opposite the number is printed the name of the householder or householders. Houses that remained vacant at the close of the canvass have the word "Vacant" printed opposite the number. Houses with no numbers are not given. To find the occupation of householder, refer to the alphabetical list of names. For location of Streets, Avenues, etc., see pages 7-10.

To phone a person whose name does not appear in the City Telephone Directory, look said person up in alphabetical section, ascertain their house number, refer to "Householders' Guide" for corresponding street and number and the householder or householders names appear, they being in phone book if there is a phone in the house. If no phone in the house neighbors on each side will be seen before and after name, also people opposite.
