FOLLOWING the custom of high class tailors throughout the country, I am now located on the Second Floor of the New California State Life Insurance Building at Tenth and J Streets.

A cordial invitation is extended to call and see this wonderfully appointed tailoring establishment. Good light, new fixtures and all modern conveniences.

New Location, Second Floor of New California State Life Insurance Building, 10th at J Street

DRESSING a man to look his best requires the help of a master tailor. Dignity becomes one, snappy style typifies another, and still other men are fittingly dressed only when the middle ground is adhered to.

The man who wears *Straub* Clothes has mastered at least one branch of his expenditures, the golden art of getting more than an average equivalent for what he spends.
