(1930) SACRAMENTO DIRECTORY CO'S

## YOUR CITY DIRECTORY IS STANDARDIZED

Be it Kalamazoo or Baraboo, information arrangement is uniform. Sixteen gauge wire is identically the same size in Boston or Bellingham, railroad tracks are the same width in Connecticut and California; shoe sizes are standard whether made in Brockton or Stockton, and so on, ad infinitum.

In line with the economic trend to standardize all generally used products, THE ASSOCIATION OF NORTH AMERICAN DIRECTORY PUBLISHERS has decided to make, and is now making, all city directories published by Association members conform to certain standards in regard to make-up, compilation and classified business headings which will simplify and facilitate their use.

## YOUR CITY DIRECTORY IS STANDARDIZED

Be it Kalamzoo or Baraboo, information arrangement is uniform. Sixteen gauge wire is identically the same size in Boston or Bellingham, railroad tracks are the same width in Connecticut and California, shoe sizes are standard whether made in Brockton or Stockton, and so on, ad infinitum.
