YOUR CITY DIRECTORY IS STANDARDIZED

Be it Kalamazoo or Baraboo, information arrangement is uniform. Sixteen gauge wire is identically the same size in Boston or Bellingham, railroad tracks are the same width in Connecticut and California; shoe sizes are standard whether made in Brockton or Stockton, and so on, ad infinitum.

CAUTION! Deal only with well known publishers when giving orders for Directory Advertising

Read all orders carefully before signing—Pay no money in advance
All well-known publishers instruct their men to collect nothing prior to publication.
