What is a Live Prospect?

He is a man with a lot of questions in his mind. He wants to know Where and What and Who and How and When. Thousands of live Prospects are looking in directories daily to find out—

Where they can buy something?
What they can get for their money?
Whom they can buy it from?
How they can get it?

The time to sell a prospect is when he is alive. Make this book your Salesman to live prospects.

POLK'S BANKERS ENCYCLOPEDIA

The "Purple Book"

Bank Directory of the World

It contains bank statements in statement form with totals and date, giving details as to capital, surplus, undivided profits and analyzed deposits including asset items of loans and discounts, cash and exchange, with segregation of bonds as to government, state and municipal.

Bank officers, directors, correspondents and accessible banking towns are conveniently arranged, with memberships in F D I C designated and special list of Transit Numbers in numerical form.

Among other reference features are clearing house rules and regulations with officers, names of national, state and city officials, national and state bank examiners, banking laws and regulations, bank attorneys and state and city maps.

It carries a complete list of the Investment Bankers Association and members of principal stock exchanges, dealers in commercial paper, as well as a selected list of general investment dealers.

Supreme in the bank directory field, this reference medium is of everyday practical use and importance in the world of banking and finance.

Issued in March and September each year.

Price \$15 Per Copy or \$20.00 to include Monthly Supplements.

STATE AND SECTIONAL EDITIONS

From the sheets of the complete volume of Polk's Bankers Encyclopedia, State and Sectional Books are made up on special order and available in several styles at rates in accordance with desired specifications.
