Out of Sight - Out of Mind - Out of Business

The importance of keeping your name and product names in the public eye is well known. It is not enough to have your name and product names in the newspaper, on the radio, or in the yellow pages. If you do not keep your name and product names in the public eye, you will be forgotten and your business will suffer.

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on Being Well Represented in Its Pages.
