UNION GARAGE STORAGE, OILS AND ACCESSORIES

Twenty-five
years in
business.

Now
located
on
Second Floor
of the
California
State Life
Building.

A cordial
invitation
extended to
visit this
modern
tailoring
establishment.

Nothing like it
elsewhere in
Northern
California.

DRESSING a man to look his best requires the help of a master tailor. Dignity becomes one, snappy style typifies another, and still other men are fittingly dressed only when the middle ground is adhered to.

The man who wears *Straub* Clothes has mastered at least one branch of his expenditures, the golden art of getting more than the average equivalent for what he spends.

The Well-Groomed Gentleman is Eligible to the Best Social Affairs

SUCCESS in either business or social centers depends to no small extent upon good dress. The fact is recognized by progressive men as plainly indicated by their well-groomed appearance.

Nothing gives a man such an air of distinction and personality as a perfect tailored Dress Suit or Tuxedo. Garments of this character make a man eligible to the best social affairs and give him an opportunity to present that well dressed appearance which is so essential to success.

For the last twenty-five years Straub has been catering to the most particular class of trade, including the leading business and professional men. Dress Suits and Tuxedos of Straub tailoring may be seen worn at the most exclusive social events in Northern California. Could better recommendation be offered than this?

If you are not already a Straub patron why not be numbered among them?
