THE CITY DIRECTORY

is the greatest source of knowledge concerning living things in the world. Everybody is represented and interested in it.

The Directory costs the subscriber 10c per week if he buys it. If he doesn't buy it he doesn't save 10c a week for he often loses a customer or an account, and at the end of the year he has paid many times what it would have cost him to enjoy all the advantages of a new up to-date directory.

The Classified Lists in the City Directory form the greatest buyers' guide on earth. It is a modern up-to-date method of getting what you want.

The Directory represents the city and all its interests. Are you doing your share to promote the progress of the community.

Show your public spirit by making the Directory a creditable representation of this city.
