"Sacramento's Finest Department Store" . . . growing for 66 years

We've seen a great many changes in this community since 1874 . . . and you've seen many changes in us (in the last decade, a fine new building; and, constantly revamping our departments to make shopping more pleasant and convenient). But in certain fundamentals, neither of us has changed. YOU are still delightful customers to serve . . . and WE still earnestly believe in and try to adhere to the principles set down by our founders:

"Were you the merchant and we the customer, we feel there would be no changes in the principles and practices of this house."
