**JAMIES P. KEATING CO.**  
 LIQUORS and WINES

**Out of Sight — Out of Mind — Out of Business**

The importance of keeping firm and product names in the public eye is recog. by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised. The City Directory is the natural medium for keeping a business or product name in the spotlight. **Insist on Being Well Represented in Its Pages**
