Out of Sight — Out of Mind — Out of Business
 The importance of keeping firm and product names in the public eye is being recognized by all
 business men. It is astonishing to see how a firm or product, however meritorious, will slip
 into the limbo of the forgotten if not persistently advertised
 The City Directory is the natural medium for keeping a business or product name in the spotlight
 Insist on Being Well Represented in Its Pages

Buy . . . Rent . . . Sell . . . Trade
