**Out of Sight — Out of Mind — Out of Business**  
 The importance of keeping firm and product names in the public eye is recog. cognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.  
 The City Directory is the natural medium for keeping a business or product name in the spotlight.  
 Insist on Being Well Represented in Its Pages
