Out of Sight — Out of Mind — Out of Business
 The importance of keeping firm and product names in the public eye is being recognized by all business men. It is embarrassing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.
 The City Directory is the natural medium for keeping a business or product name in the spotlight.

Out of Sight — Out of Mind — Out of Business

The importance of keeping firm and product names in the public eye is recog cognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo-of-the-forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight.

Insist on Being Well Represented in Its Pages
