## The Game

The series were just even up  
 Each team had won a game.  
 Since Lodi won the first contest  
 We had to save "Sac's" name.

The second game was sure hard fought,  
 Each team was full of pep;  
 The final score was ten and nine  
 And "Sac" was out of debt.

The day the final game was due  
 The sun arose quite hot.  
 Lodi said, "We'll win this game,"  
 And "Sac" replied, "You'll not."

Lodi started off the game  
 With three hits and a score;  
 Parker in the dugout vowed,  
 "That man shall pitch no more."

Went Cecil to the rescue.  
 Still Lodi made their runs,  
 For "Sac" the balls did handle like  
 So many red hot buns.

But then as we came near the sixth  
 Great Ito came to bat,  
 He looked the pitcher in the eye  
 And gave the ball a swat.

Next our captain Glick came up,  
 Third base was playing in,  
 Dale missed the ball two mighty swings  
 Then drove it straight at him.

The Lodi man with lots of grace  
 Stooped down to grab the sphere,  
 He straightened up, looked in his glove—  
 "My gosh, it isn't here."

Backer smote the ball so hard  
 It hit the short stop's knee;  
 When finally it came to earth  
 The scorer tallied three.

Sims then took a mighty swing  
 And knocked the ball three feet,  
 The catcher was so darned surprised  
 The throw to first he beat.

Merritt hit the ball a smack,  
He ended up at third;  
The fielder saw it up so high  
He thought it was a bird.

“Marty” followed with a hit;  
It seemed the game was o’er,  
But Lodi took its turn at bat;  
Their scorer added four.

The score was then just nine to nine,  
The inning was the last;  
“Sac” then pulled the hit and run  
That put their flag half mast.

Captain Glick got round to third,  
Nick gave the hit and run;  
Sargenti pitched, Dale started home,  
Nick bunted, it was done.

The game was o’er, our arms were sore.  
Who cared, since we had won?  
And Lodi slowly homeward went  
As downward sank the sun.

—Paul Sims, Jr., '24.

FOOTBALL TEAM

# FOOTBALL

The outlook for a successful football year in 1923 was very good at the beginning of the season, when about 40 candidates turned out to try for the team. In addition to the usual methods of practice the squad had the added advantage of weekly scrimmages with the Sacramento Junior College, in which it gave very good accounts of itself.

Throughout the practice season our hopes ran high. The team did not lose a single practice game. Possibly it was the continued repetition of the score that was our undoing, for we seemed unable to down our opponents by any but a 6 to 0 score. The first practice game was with the Aggies' second team, resulting in a win by the local team; score 6-0. In the second practice game, with San Rafael our team again came out ahead. The score was 6 to 0. For the third consecutive time we won by a 6 to 0 score, this time in a hotly contested battle with the Oakland High School.

We made a start for the championship when, after a game full of thrills, with the Modesto High School, the score again read for the fourth consecutive time, 6 to 0, in Sacramento's favor. About 50 people from Sacramento were on hand to witness the cross-buck on which Captain Martinelli made the sole score, in the third quarter.

After a practice game with Marysville, a one-sided affair in which Sacramento got the breaks, the team again came off the field the victors. The single score of Marysville, made in the last quarter after our first team had been replaced by substitutes, made the score 46 to 6.

With a team crippled by the loss of several players, and on what seemed to be an off day for our team, we lost for the first time in five years, a game to our old rivals, Stockton. The 3 to 0 win of Stockton was due to the completion, on his fifth attempt, of a drop-kick by Bava, substitute fullback.

The game with Woodland, one of the best of the season, throughout which clean playing prevailed, was witnessed by approximately 800 Sacramentans, making the largest rooting section that has ever been to an out of town game. Sacramento took the ball when the Woodland center lifted it from the ground and started a drive for the goal. The score was made on a forward pass; extra point was made in the same way, giving the game to Sacramento by a 7 to 0 score. This game, however, was later ruled out on account of the referee's decision.

For the remainder of the season Sacramento did not win a game. Sacramento went to Grass Valley fully confident of returning victorious, but Grass Valley sprang the unexpected by taking the game by a 17 to 7 score. With the loss of this game our chances for the title were completely gone and we seemed to lose heart, for the game with Turlock was lost by a 21 to 7 score. We had hopes of staging a come-back before the Lodi game, when our team in a new formation went on the field with new hope. But our hopes were blasted. Lodi, by a 26 to 0 score, took the game and thus became undisputed champions of this section of the C. I. F. —Dale Hunter, '24.

CHAMPIONSHIP BASEBALL TEAM, 1923

# BASEBALL

## 1923

The prospects for a second championship baseball club were fairly bright at the beginning of last season. Four regulars and some others who were better than the regulars of most high school clubs were left to build the team on. They were Merritt, Martinelli, Sims, Glick (c), Dowrick, Ito, Chamberlain, Maleville and Kimball. With the addition of Backer, Bican and Harding from Harkness, a very formidable team was lined up. Dale Glick was elected to captain the team, and, since Coach Parker was busy with other sports, Walter Mails agreed to coach the outfit and baseball got under way. Our very competent manager, Jack Westlake, lined up a long string of practice games, and under the expert guidance of Mr. Mails the team was soon playing in championship form. Out of a total of twenty-nine practice games Sacramento won twenty-two and lost seven.

To open the C. I. F. schedule Sacramento journeyed to Stockton and decisively defeated their nine 13-1. It may have been that the easy victory over Stockton caused our team to be over confident. Whatever the cause, Lodi defeated us at Woodbridge the following Saturday by the close score of 9-8. Both teams played ragged baseball, five errors in the last inning being directly responsible for our defeat.

Sacramento easily took Woodland into camp in a two game series, and since Stockton forfeited their second game it was up to Sacramento and Lodi to fight it out.

Our return game with the "Tokays" was held at Moreing Field, with competent umpires and no crowd on the diamond. The game was fast, and featured by heavy and consistent hitting by both teams. The final score was 9-7 in Sacramento's favor so that it was necessary to play a third game to decide the winner of this sub-league. The coaches flipped a half-dollar to decide where the third game would be staged and Sacramento won.

The final contest was just as close and hard fought as the other two had been. Both teams played good ball, but Sacramento hit the harder and came out on the long end of a 9-8 score, thus winning the right to play Manteca, champions of the southern sub-league of Northern California. This game was held at Manteca, and although Sacramento won 14-3, the game was not as one-sided as the score would imply.

Since, in the meantime, Marysville had defeated all comers and had won all the northern sectional championships, it was necessary for Sacramento to play them for the title of Northern California. Although Marysville had a fast team and put up a strong fight, Sacramento finally won 3 to 2 and thus completed a very exciting and successful season.

San Diego, winners down in the southern end of the State, challenged

1924 BASEBALL TEAM

us to play for the championship of California, but since school had already closed it was impossible for us to accept the challenge.

The lineup of the team throughout the season was as follows: Ito C.F., Backer 3B., Merritt 2B., Sims S.S., Maleville 1B., Glick (c) L.F., Bican R.F., Martinelli C, Kimball or Dowrick P.

Eight members of the squad were eligible for the present team. They were Dowrick, Backer, Sims, Bican, Harding, Chappell, Wright and Thomas.

—Paul Sims, Jr., '24.

## 1924

As usual, there was a large turn out for baseball this year, and as usual the crowd steadily dwindled, but there are still enough men for two teams with extras. Baseball did not start as early this year as last and as a result there were not so many practice games. However, most of the fellows played in some branch of the winter league so that they were in good condition to start the season.

To start things right Sacramento defeated the Nippon Stars in two close games, and then won three out of four games with a team from Southside Park. A three game series with the California Aggies resulted in three victories for the high school. The Capital Telephone Co. also met defeat at our hands. To close the practice season and also prevent over confidence, Joe Sims, former captain and for three years second baseman for the school, organized an alumni team and trounced us 10-5.

Sacramento opened the C. I. F. at Woodland, defeating their team 9-4. The second game was with Stockton. The Stockton team came to Sacramento in high spirits, but went home with the short end of a 9-6 score. Woodland next payed us a visit and brought their uniforms along, but after six and a half innings they went back to Yolo with the score 11-2 against them. Sacramento's latest game, if it might be called such, was down at Stockton and resulted in a 23-2 victory for us.

At present there are two league games yet to be played, both with Lodi. Lodi has a very strong nine; the same team that has given Sacramento such a scare the last two years. They have easily defeated both Stockton and Woodland and when they hook up with the Purple and White the games should be worth seeing.

Cecil Dowrick, last year's regular pitcher, was unable to pitch during the first part of this season as he injured his shoulder in the last year's Lodi series. However, a number of treatments by a baseball specialist worked wonders, and Cecil is now in better form than ever.

The line-up is as follows: Kay Miakawa 2B., Tom Wardlaw C.F., Paul Sims S.S., Leonard Backer 3B., Nick Bican 1B., George Harding L.F., Lynn Mattison R.F., Fay Erwin C., Cecil Dowrick P.

Alexander, Chappell, Wright, Anater, Thomas and Rutherford are practically as good as the regulars, so that the team has nothing to worry about in the way of relief players.

Steve Paxton has proved a very capable manager as he has had considerable experience in public speaking and advertising.

—Paul Sims, Jr., '24.

TRACK TEAM, 1923

## Track 1923

Track reached the highest point last year that it has ever attained in the history of this school. The team was composed of Lockhart (c), Coggeshell, Pollock, Davis, Steinkamp, Miller, Thompson, Capra, Glick, Dorrick and Maleville.

Sacramento took second place in both the sectional meet at Modesto and the northern sectional meet at Dixon.

In the state meet at Los Angeles Lockhart won both the mile and half mile while Coggeshell won the high jump, thus winning second place for Sacramento. Hollywood won the meet.

The national prep. school meet took place at Chicago, and our team, composed of Captain Earl Lockhart, Henry Coggeshell, and Kenneth Pollock, brought back second honors. Lockhart won the half mile, Coggeshell won the high jump and Pollock took second in the quarter mile.

Lockhart broke the California state record for the half mile and the school mile record in 1:59 and 4:31  $\frac{3}{5}$  respectively. Coggeshell broke the high jump record with a leap of six feet, while Pollock broke the quarter mile record with the fast time of 51 seconds flat.

—Paul Sims, Jr., '24.

BASKETBALL TEAM

## Basketball, 1924

Basketball did not loom very brightly at the start of the season, due to the fact that there was not a single veteran left from our preceding year's team. However, we soon found that among us were several men who had played on first class quintets in other schools, so that, in reality, we did have some veteran basketballers. Besides these we had some very good talent of our own, and as a fitting climax we had Mr. Lamar to coach the squad.

The first few weeks were devoted entirely to learning the fundamentals of the game—passing, shooting baskets, dribbling and guarding. After the individual work had been mastered and enough team work had been developed so that the five functioned somewhat as it should, the squad went through a long list of practice games.

The opening game of the C. I. F. schedule was with our old rivals, Woodland. The team was in fine condition and everything pointed towards a victory when, alas! at the last minute it was found that several of the class A players were ineligible, due to poor scholarship. This made it necessary for some class B players to be transferred to the first squad, and Woodland won the game, 20-19. However, Sacramento staged a comeback and the following week defeated Woodland on her own court 15-7. This made another game necessary. It was played at the local "Y," and Sacramento out-classed the Yolo stars all the way, winning by the decisive count of 28-11.

By virtue of their victory from Woodland Sacramento played Galt for the right to meet Stockton in the sectional final. Both teams were primed for the event, and, though handicapped by a very slippery floor, they played some high class basketball, Galt winning out, 16-15. This defeat eliminated Sacramento from the C. I. F.

In the meantime Biggs had won the hoop title of Northern California. After defeating our glorious faculty team 33-25, our cagers journeyed to Biggs and showed their class by defeating the Northerners 34-12.

**Jack Radonich** was the able manager of the basketball team and deserves great credit for his work.

Sacramento won eight out of a total of fourteen games played this season. Following is a list of the players and games:

**Regulars**—Henry McKenna F, Joe Gordon F, Clarence Meincke C, John McHenna (c) G, Louis Peixoto G.

**Reserves**—Rooney, Thebaut, Baxter, Davis, Cobleigh.

The class B and C teams did not get very far this season. Woodland eliminated the former in two straight contests, and the latter never got in the C. I. F. due to poor scholarship of a majority of the players.

The personnel of the class B and C squads were as follows:

Class B: Knowles Howe, George Gilbert, Harrison Gilbert, Earl O'Brien, Orland Smith.

Class C: Reed Cook, Egbert Goldsmith, Jack Armstrong, Jack Lack, Jack Briggs, Walter Laidlaw, Earl Knight.

Basketball should be a big success next year as six of this seasons class A squad are eligible for at least one more season. Those who will be with S. H. S. next season are: Capt. John McKenna, Meineke, Peixoto, Baxter, Rooney, Cobleigh.

—Paul Sims, Jr., '24.

## Minor Sports

### Handball

Handball has attracted considerable attention the past two years, due largely to the tournaments planned and refereed by Samuel Gottfried. This season's tournament was won by Leonard Backer, with Nick Koshell second, and Carden Rutherford third. Carden was last year's champion. The popularity of the sport was shown by the fact that over eighty players entered the tournament.

There are to be six good courts at the new high school and the tournaments will be supervised by the Physical Education department, which will award prizes to the winners. Furthermore, a team will be picked to meet the champions of other schools, so that handball in the future should be even more popular than at present.

### Swimming

In 1923, a swimming team, organized by George Gebhardt, competed in two meets. Considering the fact that the swimmers had no place to practice, they did very well.

Sacramento received second honors in the C. I. F. meet at Stockton, due largely to Lack's diving, and then participated in an exhibition meet with the California Aggies at Davis.

The personnel of the team was as follows:

Harold Merritt, Eugene Thompson, "Stick" Lack, Harold Redding, George Gebhardt; Ray Doughty, Coach.

As yet nothing has been done about swimming this year.

### Boxing

Sacramento has no boxing team, but it has a boxing class. Regularly the "pugs" sojourn to the gym and unmercifully throw gloves at one another. Coach Parker is in charge of the boxers and under his directions some very fast bouts are staged. At times Mr. Parker himself dons the gloves and demonstrates the art of putting an opponent to sleep.

The boxing class consists of:

Lashly, Bardin, Phillips, Gilmore, Hawthorne, Dawlman, McKinly, Kar, Wortz, Ray, Vocthe, Bangia, Poklimus, Fefley, Gerald, Greene, Hansik, Depoli, Redding.

—Paul Sims, '24.

TENNIS TEAM

## Tennis

The tennis team of the high school has not been in the limelight lately for several reasons. Chiefly because, although at least fifty boys in the school play the game regularly, there has not been enough enthusiasm to create keen competition.

Nevertheless, there has been some activity. Last year a team picked by Willard Sperry, the manager, played three preliminary matches and then sent a representative to Stockton to participate in the C. I. F. tournament. All of the practice contests were lost, none of them being of sufficient interest to be given in detail. Two of these matches were with Davis and the third with Stockton, the team that took part being composed of Willard Sperry, Wendel Nicolaus, Ed Nicolaus, Kenneth Howard, Adolph Hager and John Hafner.

Sacramento's representative in the C. I. F. tournament at Stockton was Wendel Nicolaus. In his first match he was successful and defeated Harry McKee, Stockton's representative. However, victory was shortlived, as he was defeated in his next match.

The chief reason more matches were not played was lack of interest. Although only a small sum of money was allowed the tennis team, they probably could have had more, had they showed sufficient interest in the game.

Better things are hoped for this year. There will be two experienced men on the team, Ed Nicolaus and Adolph Hager. The first days of spring practice brought out some hard competition, especially for the last three places. Also, for the first time in several years, at least part of the time of a physical training instructor has been devoted to tennis. With these things taken into consideration it seems not only possible, but probable that the Sacramento high school tennis team will have a successful season.

—Kenneth Howard, '25.

G. A. A.

## Girl's Athletic Association

The Girl's Athletic Association aims to develop all-around girls, a spirit of class and school loyalty, democracy and sportsmanship. To attain these ends two types of activities are enjoyed, athletic and social. Sports such as volleyball, netball, basketball, baseball and swimming have received enthusiastic support from the members and we are anticipating with pleasure hockey and soccer when we move to our new building and athletic field. Our social activities consist of hikes, and parties in the Gym. This last year we have enjoyed the privilege of using the American River Boy Scout Lodge as an objective for some of our hikes.

In order to maintain interest and a spirit of friendly competition our membership has been divided into two groups which have been named Vikings and Danes. These two groups vie with each other in size of membership, in number of members present in activities, in original stunts at parties, and for honors in all sports.

Besides this group competition we have a point system in which individual girls through participation in activities work for points, 300 of which entitle her to a G. A. A. pin and 500 give her a school letter for her sweater. Girls winning these honors are awarded them at the final student body assembly of the semester.

An additional good time has come to our girls this year through an invitation from Woodland High School girls to visit them on some Saturday in May for the purpose of entering into a Playday program. We will enter teams in volley ball, basket ball and relay races and take part in a posture parade. We are anticipating much pleasure and resultant good will between our schools from our visit.

The organization is greatly indebted to the three advisors, Miss Hosmer, Miss Bottsford, and Miss Furuset for its successful season.

The officers of this year are as follows: Viola Cox, president; Ida Banta, vice-president; Marian Hollingsworth, secretary; Elizabeth Brown, treasurer. Mildred Currier, leader of Vikings; Edith Watts, leader of Danes; Elizabeth Clifford, X-Ray Reporter.

—Marian Hollingsworth, '24, Secretary.

AN ODE TO  
EDGAR W. LUCIO de MENDOZA

OUR BRAVE AND NOBLE HERO COMES,  
WITH THE SCREECH OF FIFES AND  
THE BEAT OF DRUMS,

THE WHISTLES BLOW-THE BELL'S ALL RING,  
IN HONOR OF THE "CREAM DUFF KING!"

MAKE WAY! MAKE WAY! THE BRAVE  
COPS CRY,

"WHAT A LOVELY SHEIK", THE MAIDENS SIGH,  
THUS EDGAR KEPT DREAMING AS SWEET  
AS YOU PLEASE

TILL THE COVERS ROLLED OFF AND HE  
STARTED TO FREEZE.

THEN ALMOST IMMEDIATELY HE HEARD A  
DOOR SLAM,

AND THE COOK SWEETLY HOLLERED-  
"GET YOUR HOT CAKES AND HAM!"

FROM HIS BED HE AROSE - SCRAMBLED  
INTO HIS CLOTHES -  
AND THUS HE AWOKE FROM A DAINTY  
REPOSE.

"WHAT A LOVELY SHEIK",  
THE MAIDENS SIGH.

### Only Once

The auto, traveling at a tremendous speed, was just about to turn a very dangerous corner.

"Do people lose their lives here frequently?" asked the nervous passenger.

"Not more than once!" said the driver, as he took a firmer grip of the wheel.

Marvin Blackford: "She said I was the goal of her desires."

George Harger: "What makes you so sad then?"

Marvin: "Her father kicked the goal."

"What time am it, Sam?"

"My timepiece says two o'clock."

"What? Ah reads quartah ob eight."

"Well, niggah, ain't dat two?"

Superintendent: "It is our custom to let a prisoner work at the same trade in here as he did outside. Now what is your trade? Shoemaker, blacksmith, or—"

Prisoner: "Please, sir, I was a traveling salesman!"

"Do you know why the Scotch have their sense of humor?"

"Sure. It's a gift."

Young Son: "Father, what is the difference between a taxidermist and a taxicab?"

Father: "No difference, my son; they bith skin you."

It was during the impaneling of a jury. "You are a property-holder?" asked the judge.

"Yes, your honor."

"Married or single?"

"I have been married for five years, your honor."

"Have you formed or expressed any opinion?"

"Not for five years, your honor."

A little girl of five was entertaining the callers while her mother was getting ready. One of the ladies remarked to the other, with a significant nod, "Not very p-r-e-t-t-y," spelling the last word.

"No," said the child quickly, "but awful s-m-a-r-t."

### Boy Was That Much Ahead

"Which is the way to Ottawa, my lad?"

"I don't know."

"Which is the way to Topeka, then?"

"I don't know."

"Well, can you tell me how to get to Wichita, then?"

"I don't know."

By this time the drummer was quite impatient and said to the boy:

"Say, you don't know very much, do you?" To which the lad retorted:

"No! But I ain't lost!"

"What is the name of that handsome prisoner?" asked the impressionable young woman.

"No. 2206, miss," replied the guard.

"How funny! But of course that is not his real name."

"Oh, no, miss; that's just his pen name."

"Do the English understand American slang?"

"Some of them do. Why?"

"My daughter is to be married in London and the Earl has cabled me to come across."

A kindly looking old gentleman was stopped by a very little girl carrying a parcel—

"Please, sir," she said politely, "is this the second turning to the left?"

A road sign reads: "Drive slow, you might meet a fool." A better sign in some instances would be: "Drive slow; two fools might meet."

Willie (to his father, who had recently married a second time): "There's a shop in the High Street just like you, daddy."

● Father: "Shop like me? What do you mean?"

Willie (getting near to the door): "Why, it's under entirely new management."
