

FOOTBALL TEAM

The Football season this year was most successful, the team winning every game they played except the one for the championship of the state when Berkeley defeated us.

S. H. S., 3; Centerville, 0

The first game of the season was played at Centerville against the High School of that town. The game was very close, being won only after Murray picked up the ball in the loose and dashed over for the only try of the game. It was not converted. Score: Stockton 3; Centerville, 0.

S. H. S., 12; S. A. A., 0

The second game of the year was in the nature of a practice game with the Stockton Athletic Club. It was an easy victory for S. H. S., for we finished on the long end of a 12 to 0 score.

S. H. S., 9; Sacramento, 5

On October 1st we went to Sacramento for our first league game. This game was good and fast throughout resulting in the third consecutive win for Stockton. The team as a whole showed up well in this game. The score at the final whistle was Stockton 9; Sacramento, 5.

S. H. S., 3; Woodland, 0

October 9th was the date of our second league game and it certainly was a "hummer." Woodland came here and made us play real football to beat them. We finally did beat them when Raggio made a long run in the last fifteen seconds of play for the only try of the game. It was not converted. Score at finish: Stockton 3, Woodland 0.

S. H. S., 0; Chico, 0.

Our third league game was with Chico and was one of the fastest games of the season. Neither team seemed to have an advantage over the other. After struggling first at one end of the field and then at the other for two twenty-five minute halves the game ended a scoreless tie.

S. H. S., 26; Modesto, 0

Another practice game was played at Modesto on the twenty-second of October. This game was an easy victory for Stockton as the score at the end of the game was 26 to 0 in our favor.

S. H. S., 6; Chico, 3

The tie which resulted in our first game with Chico was played off at Chico and this was really the best game of the season. Chico scored first when Stagner crossed the line in the second half. This score only served to make our fellows work harder and they scored two tries in rapid succession which won the game for us. By this game we won the championship of the Interior of California.

S. H. S., 42; Modesto, 3

In our last game of the season before the Berkeley game we defeated Modesto on our home grounds by a score of 42 to 3.

S. H. S., 0; Berkeley, 12

In the mud battle for the State's Championship held on our turf

BASKET BALL TEAM

Berkeley defeated us by a score of 12 to 0. Berkeley with superior weight and team work could not be held down even though we did make a few good tackles. "Well, here's hoping we beat 'em next year, anyway."

THE BIG S

Those fellows who won their S this year by splendid work in football are the following: W. Leffler (captain), Moznette, R. Dunne, Alley, Dennis, Gadbury, V. Dunne, B. Higby, Stout, Murray, Burgess, Patterson, Eves, Raggio, Barnickol, Robinson, Parker and R. Higby.

NEXT YEAR'S FOOTBALL CAPTAIN

Immediately after the Berkeley game the men on the football team assembled in Coach Elliott's office to elect a captain for next year's team.

R. Dunne, the giant side ranker and a chief mainstay of this year's team, was unanimously elected. "Good luck to you, Ray."

* * * *

The basket ball season this year was not entirely successful, although we did defeat the Berkeley High School team which won the state's championship.

S. H. S. 27, Sacramento 23

Our first league was won after a hard fight with the heavy Sacramento five. Our men were at a disadvantage as they had been trained but a week, while the Sacramentos had been in training for a least a month.

Coach Barzee handled his team to good effect and the final score was S. T. S. 27, Sacramento 23.

S. H. S. 25, Woodland 9

The second league game also resulted in a victory for our basket ballers when we defeated the Woodland team by a lop-sided score. The fellows all worked together in this game and it was our team work more than anything else which defeated Woodland. The final score was 25 to 9.

S. H. S. 16, Lodi 28

Our joys at winning the first two league games was short lived, however, as Lodi defeated us easily on their court in the third league game. Our defeat was probably due to the absence of L. Hickinbotham from the game.

THE SCORE

Stockton—		FG	FT	Lodi—		FG	FT.
Patterson, F.	2	0	Rutherford, F.	3	0		
Spayd, F.	2	0	Carpenter, F.	2	0		
Raggio, C.	0	0	Atwood, C.	5	8		
Burgess, G.	0	0	Spotts, G.	0	0		
R. Higby, G.	1	6	Beckman, G.	0	0		

THE WEIGHT TEAM'S TRIP TO BERKELEY

On our annual trip to Berkeley for the Basket Ball Carnival, S. H. S. won four games out of a total of six.

On Friday night the 130 pound team went down on the train to play

BASEBALL TEAM

a league game with U. C. 130 pound team and were defeated by a score of 38 to 19.

The other five teams journeyed down on the boat, arriving Saturday morning.

In the first game the S. H. S. 100 pound team defeated the B. H. S. 100 pound team by a score of 32 to 1. Berkeley didn't have a chance.

The second game was another victory. Our 110 pound team smeared Berkeley to the tune of 49 to 0.

The third game, a 130 pound contest, was also an easy victory for us. The game ended with the score 43 to 4 in our favor.

In the evening we did not come out so well. Berkeley won the first game by the score of 29 to 15. This was a 145 pound contest.

The second game was also a victory for the Berkeley team. Their 120 pound team defeated ours by a score of 34 to 19.

The varsity game was a contest well worth watching, for it was only after a hard nip and tuck struggle that Stockton finally won by a score of 23 to 21.

THE CAPTAIN FOR NEXT YEAR

Raggio, one of the best players on this year's team, was elected captain of next year's team by a large majority.

* * * *

The baseball season this year has been very satisfactory, for as yet the team has not lost a game. They have but one more game to play, and, if they win that one, they will be rated as champions of the valley.

Stockton 3, Ceres 2

The first game of the year was in the nature of a practice game with Ceres High School. It was very close throughout, the issue not being decided until the last half of the ninth. The feature of the game was the hitting of Burgess and Baumel. Robinson pitched a good game.

S. H. S. 3, Lodi 2

In our first league game this year, Stockton defeated Lodi in a closely contested game. We won the game mainly through the hitting of Sprague, Eachus and Alley and the pitching of Dunne. In the third inning Sprague, Eachus and Alley all scored.

S. H. S. 8, Lodi 1

In our second league game with Lodi we put the crusher on their hopes for the pennant. Robinson pitched a superb game and everyone landed on the pill hard. S. H. S. made two runs in the first inning which took all of the starch out of the Lodi nine.

Stockton vs. Sacramento

A game will be played with Sacramento in the near future to decide the championship of the valley. If this game is won those fellows that participated will be awarded their S. "Here's hoping."

This year marks the birth of the game of tennis in this school. The interest in this sport was produced mainly by the influence of W. E. Allen and Mr. Elliott.

At the first of the season a meeting was called which was well attended by both boys and girls. In this meeting Mr. Allen told in a short talk, how the beginner should start to learn the game. The talk influenced quite a number of the fellows to join the local club.

INTERCLASS TENNIS

Interclass tennis was started this year for fellows who had never played tennis before. It was in the nature of a novice meet. A great deal of enthusiasm was aroused by the presentation of a cup by Johnson's Sporting Goods House.

The cup was won by the Juniors, with the Sophomores second, Freshmen third and Seniors fourth.

In the first round of the singles, Dennis of the Seniors defeated Dunne of the Freshmen 8-6 and 6-1. R. Higby of the Juniors defeated R. Spring of the Sophomores 6-3 and 6-3. The finals of the singles were won by R. Higby who defeated Dennis 6-3 and 6-1. Spring defeated Dunne for third place.

In the doubles, the Sophomores were defeated by the Juniors who also defeated the Freshmen. The Seniors forfeited.

Final score, Juniors 10, Sophomores 5, Freshmen 4, Seniors 3. Next year it is hoped that there will be as much interest taken in tennis as there has been this year.

* * * *

The track season this year has been very disappointing; in fact, we have only had two meets and we lost both of them. Although the meets as a whole have been disappointing, there has been some wonderfully promising material developed. "Cow" Burgess has been steadily improving in the broad jump and can always be counted on for at least one first place. He was the star of the meet held with Sacramento, having taken one first, one second, and one third place for a total of ten points.

Joe Stout also has been improving rapidly in the mile. Both of these fellows will be sent to Sacramento for the C. I. F. meet to be held there.

Sacramento 97½, Stockton 29½

Burgess was the only one to take a first place for Stockton in our annual dual meet held with Sacramento, and we were defeated by a lopsided score. Following is the summary:

Track Events

1. One Mile—Lamping (Sac.), Stout (St.), Cox (Sac.), Reed (Sac.). Time, 4:53.

12. Relay Race—Won by Sacramento; Stockton second.
Totals, Sacramento, 93½; Stockton, 29½.

In a triangle meet between Ripon, Modesto and Stockton, Modesto gathered first place, Stockton second and Ripon third.

Burgess repeated in the broad jump and won with a flight of 19 feet 7½ inches.

B. Higby took first place in the low hurdles in good time. Dennis took third in the mile, while Stone took third in the 100 yard dash.

Interclass Track Meet

In the interclass track meet the Juniors were defeated by a small margin. The Sophomores hooked first with 43 points, Juniors second with 39, Seniors third with 25, and Freshman fourth with 6.

It was a very close meet throughout as it took the relay race, the last event, to decide it.

The Sophomores by winning this meet have obtained the cup presented by Johnson's Sporting Good House.

The Yell Leaders

This year Henry Ellis Sanderson has shown the way. A cheerful lad, he has proved a good yell leader. Never discouraged, his contortions and those of his two assistants have many a time led our team to victory. Such is a true rooting section, one that can yell most when spirits are low. The yell men have done their duty in fine style. They led, they yelled, they got results.

A Leap Year Proposal

I am a damsel 'tho not fair,
In this my love I do declare
And if your heart to me incline
Read, omitting each second line.
But if on me you turn your back
Read straight on and scorn'll not lack.

The love which I have repeatedly expressed for you is absolutely false and my desire to be rid of you grows by leaps and bounds. Each day I am more certain of your despicable disposition and inability to have lofty ideals and manly virtues. You will always be a laughing stock for the world at large and never one who commands the respect and admiration of friends. Your presence is a source of extreme displeasure to me. When I see you every sense pulsates with hatred. Do not be so foolish as to imagine I harbor love and a desire to be near you. Your conversation always is disgusting, insipid and rudely impertinent and never arouses the highest and most exalted ideals. Heaven forbid that I should offer you my hand for if we should ever be married I'd be the most miserable creature alive. Do not fancy living with you would be "when dreams come true." You will probably not be surprised when I earnestly implore that you will do me the pleasure of keeping out of my sight. I shall readily overlook your trouble to answer this letter. And now goodbye and believe me my antipathy for you is so full grown that I shall never be
Your devoted lover.

J. W., '15.
